Dear Lt. Chris and Capt. Grimm:

As a follow-up to our meeting last week, I am writing to reiterate our request to the CHP for the following:

1. Increased patrols during school hours at all PUSD campuses, as well as private school campuses and the Feather River College campus.

The Board of Supervisors greatly appreciates your staff's willingness to assist the citizens of Plumas County during this challenging time, especially since the CHP is facing its own staffing issues. We all need to work together to assure public safety.

Our continued partnership in serving the citizens of Plumas County is valued and much appreciated.

Sincerely,

Chair, Plumas County Board of Supervisors
