Memorandum

DATE: December 29, 2016
TO: Honorable Board of Supervisors
FROM: Sheriff Greg Hagwood 
RE: Agenda Items for the meeting of January 10, 2017

It is recommended that the Board:

Approve and sign contract #PCSO00035 between the Plumas County Sheriff's Office (PCSO) and Kassbohrer All Terrain Vehicles, Inc. in the amount of \$20,000.

Background and Discussion:

The term of this contract is 12/15/16 – 12/14/17. This purpose of this agreement with Kassbohrer All Terrain Vehicles is to provide service to the Sheriff's snowcat.

Agreement has been approved as to form by County Counsel.

Services Agreement

This Agreement is made this 15th day of December, 2016, by and between the COUNTY OF PLUMAS, a political subdivision of the State of California, by and through its Sheriff's Office (hereinafter referred to as "County"), and Kassbohrer All Terrain Vehicles, Inc. a Maine corporation (hereinafter referred to as "Contractor").

The parties agree as follows:

1. Scope of Work. Contractor shall provide the County with services as set forth in Exhibit A, attached hereto (the "Work").
2. Compensation. County shall pay Contractor for services provided to County pursuant to this Agreement in the manner set forth in Exhibit B, attached hereto. The total amount paid by County to Contractor under this Agreement shall not exceed Twenty Thousand Dollars and No/100 (\$20,000.00).
3. Term. The term of this agreement shall be from December 15, 2016 through December 14, 2017, unless terminated earlier as provided herein.
4. Termination. Either party may terminate this agreement by giving thirty (30) days written notice to the other party.
5. Non-Appropriation of Funds. It is mutually agreed that if, for the current fiscal year and/or any subsequent fiscal years covered under this Agreement, insufficient funds are appropriated to make the payments called for by this Agreement, this Agreement shall be of no further force or effect. In this event, the County shall have no liability to pay any further funds whatsoever to Contractor or furnish any other consideration under this Agreement and Contractor shall not be obligated to perform any further services under this Agreement. If funding for any fiscal year is reduced or deleted for the purposes of this program, the County shall have the option to either cancel this Agreement with no further liability incurring to the County, or offer an amendment to Contractor to reflect the reduced amount available to the program. The parties acknowledge and agree that the limitations set forth above are required by Article XVI, section 18 of the California Constitution. Contractor acknowledges and agrees that said Article XVI, section 18 of the California Constitution supersedes any conflicting law, rule, regulation or statute.
6. Labor and Materials. Unless otherwise provided in this Agreement, Contractor shall provide and pay for all labor, materials, equipment, tools, utilities, transportation, and other facilities and services necessary for proper execution and completion of the Work. Contractor shall enforce strict discipline and good order among Contractor's employees and other persons performing the Work. Contractor shall not employ unfit persons to perform the Work or assign persons to perform tasks related to the Work that these persons are not properly skilled to perform.

Contractor warrants to the County that: (1) materials and equipment furnished under this Agreement will be new and of good quality unless otherwise required or permitted under this Agreement; (2) the Work will be free from defects not inherent in the quality required or permitted; and (3) the Work will conform to the requirements of this Agreement. Contractor shall guarantee all parts and labor for a period of one year following the expiration of the term of this Agreement unless otherwise specified in Exhibit A. Contractor agrees to comply with all applicable terms of state and federal laws and regulations, all applicable grant funding conditions, and all applicable terms of the Plumas County Code and the Plumas County Purchasing and Practice Policies.
8. Amendment. This Agreement may be amended at any time by mutual agreement of the parties, expressed in writing and duly executed by both parties. No alteration of the terms of this Agreement shall be valid or binding upon either party unless made in writing and duly executed by both parties.
9. Indemnification. To the furthest extent permitted by law (including without limitation California Civil Code Sections 2782 and 2782.8, if applicable), County shall not be liable for, and Contractor shall defend and indemnify County and its officers, agents, employees, and volunteers (collectively "County Parties"), against any and all claims, deductibles, self-insured retentions, demands, liability, judgments, awards, fines, mechanics; liens or other liens, labor disputes, losses, damages, expenses, charges or costs of any kind or character, including attorney's fees and court costs (hereinafter collectively referred to as "Claims"), which arise out of or are in any way connected to the work covered by this Agreement arising either directly or indirectly from any act, error, omission or negligence of Contractor or its officers, employees, agents, contractors, licensees or servants, including, without limitation, Claims caused by the concurrent negligent act, error or omission, whether active or passive of County Parties. Contractor shall have no obligation, however, to defend or indemnify County Parties from a Claim if it is determined by a court of competent jurisdiction that such Claim was caused by the sole negligence or willful misconduct of County Parties.
10. Insurance. Contractor agrees to maintain the following insurance coverage throughout the term of this Agreement:
- a. Commercial general liability (and professional liability, if applicable to the services provided) coverage, with minimum per occurrence limit of the greater of (i) the limit available on the policy, or (ii) one million dollars (\$1,000,000).
 - b. Automobile liability coverage (including non-owned automobiles), with minimum bodily injury limit of the greater of (i) the limit available on the policy, or (ii) two-hundred fifty thousand dollars (\$250,000) per person and five hundred thousand dollars (\$500,000) per accident, as well as a minimum

property damage limit of the greater of (i) the limit available on the policy, or (ii) fifty thousand dollars (\$50,000) per accident.

- c. Each policy of commercial general liability (and professional liability, if applicable to the services provided) coverage and automobile liability coverage (including non-owned automobiles) shall meet the following requirements:
 - i. Each policy shall be endorsed to name the County, its officers, officials, employees, representatives and agents (collectively, for the purpose of this section 9, the "County") as additional insureds. The Additional Insured endorsement shall be at least as broad as ISO Form Number CG 20 38 04 13; and
 - ii. All coverage available under such policy to Contractor, as the named insured, shall also be available and applicable to the County, as the additional insured; and
 - iii. All of Contractor's available insurance proceeds in excess of the specified minimum limits shall be available to satisfy any and all claims of the County, including defense costs and damages; and
 - iv. Any insurance limitations are independent of and shall not limit the indemnification terms of this Agreement; and
 - v. Contractor's policy shall be primary insurance as respects the County, its officers, officials, employees, representatives and agents, and any insurance or self-insurance maintained by the County, its officers, officials, employees, representatives and agents shall be in excess of the Contractor's insurance and shall not contribute with it, and such policy shall contain any endorsements necessary to effectuate this provision. The primary and non-contributory endorsement shall be at least as broad as ISO Form 20 01 04 13; and
 - vi. To the extent that Contractor carries any excess insurance policy applicable to the work performed under this Agreement, such excess insurance policy shall also apply on a primary and non-contributory basis for the benefit of the County before the County's own primary insurance policy or self-insurance shall be called upon to protect it as a named insured, and such policy shall contain any endorsements necessary to effectuate this provision.
- d. Workers Compensation insurance in accordance with California state law.

If requested by County in writing, Contractor shall furnish a certificate of insurance satisfactory to County as evidence that the insurance required above is being maintained. Said certificate of insurance shall include a provision stating that the insurers will not cancel the insurance coverage without thirty (30) days' prior written notice to the County. County reserves the right to require

complete, certified copies of all required insurance policies, including endorsements affecting the coverage required by these specifications at any time. Contractor shall require all subcontractors to comply with all indemnification and insurance requirements of this agreement, and Contractor shall verify subcontractor's compliance.

11. Licenses and Permits. Contractor represents and warrants to County that it or its principals have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required for Contractor to practice its profession and to perform its duties and obligations under this Agreement. Contractor represents and warrants to County that Contractor shall, at its sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required for Contractor or its principals to practice its professions and to perform its duties and obligations under this Agreement.

ORDINANCE NO. 17- _____

AN ORDINANCE OF THE COUNTY OF PLUMAS, STATE OF CALIFORNIA,
AMENDING CHAPTER 10 OF TITLE 6 OF THE PLUMAS COUNTY CODE
REGARDING SOLID WASTE CONTROL

The Board of Supervisors of the County of Plumas, State of California, hereby **ORDAINS** as follows:

SECTION 1.

Purpose. The purpose of this ordinance is to:

- (a) Protect and preserve Plumas County's environment and the economic interests, health, safety and quality of life of the residents of and visitors to Plumas County.
- (b) Update local regulations regarding the administration of the solid waste and recyclables collection and disposal system so that it continues to provide the best possible service to residents of and visitors to Plumas County.
- (c) Promote recycling and the diversion of recyclable materials from the waste stream, and in doing so, comply with the California Integrated Waste Management Act of 1989 (Sher, AB 939) (hereinafter the "Act"), the California Public Resources Code, and, commencing at Section 40000 of the California Public Resources Code, the State's Mandatory Commercial Recycling Law, Chapter 476, Statutes of 2011 (Chesbro, AB 341), and other applicable laws, all as currently in force or as hereafter amended.
- (d) Establish and refine Plumas County's requirements and guidelines for the collection and disposal of solid waste, including green waste, construction & demolition debris (C & D), and the diversion and recycling of recyclable materials.
- (e) Provide an enforcement mechanism to help ensure that residents of and visitors to Plumas County engage in the proper collection and disposal of solid waste and recyclable materials and provide protections against illegal scavenging of materials.
- (f) Provide an exemption from the provisions of California's Mandatory Commercial Recycling Law Chapter 476, Statutes of 2011 (Chesbro, AB 341) as currently in force or as hereafter amended, for Qualified Generators that Self-Haul, donate or sell their recyclables, and provide an exemption from same for those businesses that have major constraints or generate an amount of solid waste that does not meet the minimum thresholds contained in that law.
- (g) Provide fiscal oversight to ensure that all fees collected in conjunction with the solid waste program are collected in conformance with Plumas County's Integrated Solid Waste Plan, Article XIII A of the California Constitution (Proposition 13), and Articles XIII C and XIII D of the California Constitution (Proposition 218), all as currently in force or as hereafter amended.

Findings. Now, therefore, the Board of Supervisors of Plumas County (hereinafter "**Board**") hereby **FINDS** that, in order to conserve water and energy, protect the environment and preserve the economic interests, health, safety and quality of life of the residents of and visitors to Plumas County, it must provide for an efficient and integrated solid waste collection and disposal system, and

Furthermore, the **Board** hereby **FINDS**, that in order to comply with State and Federal mandates, particularly the Act, and the State's Mandatory Commercial Recycling Law, Chapter 476, Statutes of 2011 (Chesbro, AB 341), all as currently in force or as hereafter amended, regarding the collection and disposal of solid waste, which laws require cities and counties to reduce, reuse and Recycle solid waste generated in California to the maximum extent feasible before the disposal of solid waste, Plumas County must strengthen its diversion and recycling policy by enhancing its efforts to encourage and incentivize the diversion of recyclable materials from the waste stream, and

Furthermore, the Board hereby **FINDS** that Plumas County intends to be successful in its efforts to meet the State's diversion mandates, doing so - in part - by providing a strong financial incentive for residents and visitors to redirect recyclable materials from the waste stream, and

Furthermore, the **Board** hereby **FINDS** that the timely and efficient collection and disposal of solid waste and recyclable materials within unincorporated Plumas County is an essential aspect of the Plumas County solid waste plan, and that the economic interests of the residents of and visitors to Plumas County are best served by awarding contract(s) for the collection and disposal of solid waste and recyclable materials to private solid waste collector(s) in the form of franchise agreement(s) to accomplish this goal, and

Furthermore, the **Board** hereby **FINDS** that the solid waste collection and disposal program for the unincorporated part of Plumas County shall be administered jointly by the Plumas County Departments of Environmental Health and Public Works. Their joint and individual responsibilities shall address the protection of Plumas County's environment and natural resources, and the preservation of the economic interests, health, safety and quality of life for the residents of and visitors to Plumas County, as well as the changing regulatory landscape of Federal and State law, and

Furthermore, the **Board** hereby **FINDS** that the County's goals in meeting the aforementioned responsibilities shall continue to be accomplished by awarding franchise contracts for solid waste services to private solid waste collectors, regulating the means by which solid waste is collected and disposed of, implementing existing and new State and Federal regulations as they are enacted, and providing fiduciary control over the rates that solid waste customers must pay for these services, and

Furthermore, the **Board** hereby **FINDS** that, in order to ensure that all rates and fees collected in conjunction with the solid waste program are collected in conformance with the Plumas County solid waste plan, Propositions 13, 26 and 218, responsible fiscal oversight by Plumas County shall continue to be the preeminent principle in setting or adjusting rates and fees for solid waste collection and disposal services, and

Furthermore, the **Board** hereby **FINDS** that the existing provisions of Chapter 10 of Title 6 of the Plumas County Code of Ordinances require substantial revision to meet the needs of the current administration of the Plumas County solid waste and recyclable materials collection and disposal program.

SECTION 2.

Chapter 10 of Title 6 of the Plumas County Code of Ordinances, entitled "**Solid Waste Control**", is hereby deleted in its entirety, and is replaced as follows:

ARTICLE 1 – General Provisions

Section 6-10.101 Title and Citation. This chapter shall be known and may be cited as "Plumas County Solid Waste Control."

A Franchisee shall not be required to Collect oversize, overweight, or unsafe Containers, or Containers at Premises located outside of their Subscription Collection Route Area. Article 4 - Enforcement and Procedural Provisions

Sec. 6-10.401 *Clearing of Solid Waste from Private Property.* The Plumas County Department of Environmental Health is authorized to require the Owner of any private property within the County to remove and properly dispose of Solid Waste which constitutes a threat to health and safety or a public nuisance. Environmental Health is authorized to enforce the provisions of this chapter.

Sec. 6-10.402 *Right of Entry.* An officer from the Plumas County Department of Environmental Health, a Code Enforcement officer from the Plumas County Department of Planning and Building, a County, State or Federal peace officer or other designated agents are authorized to enter private property at any reasonable time to inspect such property and to perform any duty imposed upon him or her by the provisions of this chapter provided he or she shall first present proper credentials to the Occupant and request entry, explaining his or her purpose. Notwithstanding the foregoing, if the authorized agent has reasonable cause to believe that there is an accumulation of Solid Waste or other unsanitary condition prohibited by this chapter on the Premises which could be seriously detrimental to the public health or safety, he or she shall have the right immediately to enter and inspect such property and to use any reasonable means required to effect such entry and make such inspection, whether such property shall be occupied or unoccupied and whether or not permission to inspect has been obtained.

Sec. 6-10.403 *Suspension or Revocation of Franchises and Permits.*

- (a) Any Franchise granted pursuant to the provisions of this chapter may be suspended or revoked by the Board upon prior notice and a hearing. In order to suspend or revoke such Franchise, the Board must find that the Franchisee has failed to comply with one or more of the terms of such Franchise Agreement or this chapter, or has failed to render satisfactory Collection services and that grounds exist within the Franchise Agreement for such suspension and/or revocation.
- (b) The Administrator, upon prior notice and a hearing, may suspend or revoke any Solid Waste or Recycling Permit other than the Franchise described in 6-10.403(a) of this Article, granted pursuant to the provisions of this chapter or the applicable rules or regulations of the Plumas County Department of Public Works. Inactivity of a Solid Waste or Recycling Permit for a period in excess of thirty (30) days shall be good cause for revocation. Action to revoke or suspend a Solid Waste or Recycling Permit may be taken by the Administrator only after ten (10) days' advance written notice to the permittee of the cause and the permittee's right to a hearing thereon within the ten (10) days.
- (c) Notwithstanding the provisions of subsections (a) and (b) of this section, the Plumas County Department of Environmental Health may suspend or impose special conditions upon a Franchise Contractor, Solid Waste or Recycling Permit holder without prior notice whenever such action is immediately necessary to protect the public health and safety. In the case of the Franchise Contractor, however, such actions must be consistent with the terms of the Franchise Agreement.

the Plumas County Solid Waste Plan and in accordance with the terms and conditions of the current Franchise Agreement(s) shall be the responsibility of the Franchise Contractor(s).

Sec. 6-10.407 *Service of Notices.* All notices required or given pursuant to this chapter shall be deemed properly served five (5) days after deposit of certified mail with return receipt, postage prepaid, in the United States mail, addressed to the Owner at the address provided or to a Franchise or permit holder at their local office. Notices to the County shall be addressed to the Plumas County Department of Environmental Health, 270 County Hospital Road, #127, Quincy, California 95971, and the Plumas County Department of Public Works, 1834 East Main Street, Quincy, CA 95971.

Sec. 6-10.408 *Administrative Remedies.* Any Person aggrieved by any decision or action resulting from the application of the provisions of this chapter may appeal to the Board. Such appeals shall be in writing and shall be received by the Clerk of the Board not more than fifteen (15) days after such decision or action. The Board shall delegate the hearing of such appeals to the Board-appointed Plumas County Integrated Waste Management Task Force (PCIWMTF) which shall promptly schedule and conduct a hearing and render a finding of facts and recommended decision to the Board. Thereafter, the Board shall make a final and binding decision on the matter, at which time administrative remedies shall be deemed exhausted.

Sec. 6-10.409 *Supplemental Regulations.* The Board may establish, by resolution, regulations for the administration and implementation of this chapter. A copy of the regulations established by resolution of the Board shall be filed with the Clerk of the Board and with the Plumas County Department of Public Works and the Plumas County Department of Environmental Health.
