## TO THE CITIZENS OF PLUMAS COUNTY:

In accordance with the provisions of Sections 29000 to 29171, inclusive, of the Government Code as amended, known as the County Budget Act, the Board of Supervisors herewith presents to the citizens of Plumas County the Final County Budget for the fiscal year beginning July 1, 2006 and ending on June 30, 2006.

This budget has been compiled in accordance with the statutory provisions, including Governmental Accounting Standards Board change number 34, and shows the amounts that have been approved for Salaries and Employee Benefits, Services and Supplies, Other Charges, Fixed Assets, and provisions for Contingencies.

Also included are statements exhibiting estimates of the revenues, including property taxes that are expected to accrue during this fiscal period, their sources, and the available fund balances that are to be applied in the budget.

As a matter of general information, the budget document contains a budget letter from the Budget Officer and a brief narrative for each County department describing their function.

In order to provide greater detail and accountability a new budget software system and chart of accounts were implemented this year. Please keep this in mind when comparing previous year line items to new budget line items.

This year the Board approved a spending plan for the 2006/2007 Fiscal Year of \$81,340,419. Included in this is a General Fund budget of \$ 25,847,092. The final budget was adopted prior to the final fund balance numbers available from the Auditor. The Budget Book will include the Resolution and exhibits adjusting the final budget for Plumas County and dependent special districts for Fiscal Year 2006-07, to balance budgeted amounts to actual fund balance available for fiscal year ending 2005-06.

In addition to the General Fund there are other funds in the budget including Roads, Social Services, Child Support, Drug Court, Self Insurance, Worker's Compensation, and Unemployment that involve restricted funding that the Board is not allowed to divert to general government use or exercise unrestricted control, except within very narrow parameters.

It is our hope that this information makes the County budget easier to understand, a useful tool and a more meaningful historic record, which will engender greater public interest and participation in government in the future. We invite you to read the Budget Officer's Budget Message and review this document. If you have further questions, please feel free to contact the Budget Officer at 530-283-6315.

Respectfully submitted,

**RESOLUTION NO. 06 – 7289**

**A RESOLUTION ADOPTING THE FINAL BUDGET FOR PLUMAS COUNTY AND THE DEPENDENT SPECIAL DISTRICTS THEREIN FOR FISCAL YEAR 2006-2007, IN ACCORDANCE WITH GOVERNMENT CODE §29092, AND OTHER BUDGETARY ADMINISTRATIVE CONTROLS IN ACCORDANCE WITH §29092**

**WHEREAS**, the Proposed Budget for FY 2006/07 for Plumas County was prepared and distributed according to law, and a copy of the Proposed Budget is on file with the Clerk of the Board; and,

**WHEREAS**, the Board of Supervisors hearing on the Final Budget commenced on June 20, 2006 for the full consideration and discussion of all relevant matters, and was closed on June 20, 2006; and,

**WHEREAS**, the Board of Supervisors now seeks to adopt the Final Budget in accordance with Government Code §2900 et. Seq., along with budgetary administrative controls, and adopt final budgets for Special Districts for which the Board of Supervisors is the governing board.

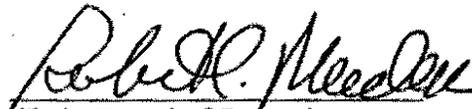

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Supervisors, County of Plumas, State of California, as follows:

1. The recommended budget has been modified as the result of meeting with department heads on June 5, 6, 7, and 8, 2006 and a Public Hearing in order to constitute the Final Budget for FY 2006/07 for Plumas County and those Special Districts governed by the Board of Supervisors.
2. The Final Budget contains 453,090 positions and totals \$81,340,419 for all funds, and \$3,119,128 for all dependent Districts.
3. Exhibit "A" to the Final Budget shall be the Budget letter outlining the Clerk's minutes of the Public Hearing wherein the Board of Supervisors discussed each budget unit and tentatively approved each budget unit as they progressed, incorporated herein by reference.
4. Exhibit "B" to the Final Budget provides the budget specifications required by subdivisions (a) through (g) of Government Code §29089 are hereby adopted as the 2006/07 Final Budget.
5. To the Final Budget shall be added Exhibit "C", which is incorporated by reference, showing additional budgetary assumptions and administrative controls authorized pursuant to Government Code §29092 and §29125.
6. Exhibit "D" is the Position Allocation which sets forth the number and classification of all positions approved by the Board of Supervisors.

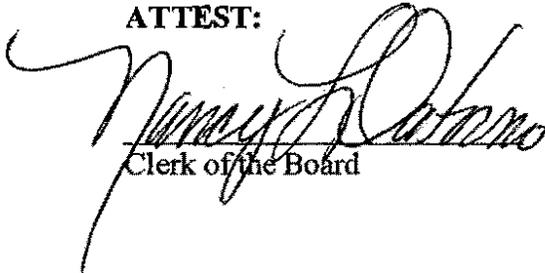

7. The adopted Final Budget shall be modified at a future date as a result of the Auditor determining the actual fund balances as of June 30, 2006.
8. A copy of the Final Budget shall be filed with the County Clerk and State Controller as required by law.

The foregoing Resolution was duly passed and adopted by the Board of Supervisors of the County of Plumas, State of California, at a special meeting of said Board held on the 27<sup>th</sup> day of June, 2006, by the following vote:

<b>AYES:</b>	Supervisors Olsen, Dennison, Comstock, Powers and Meacher

**SUBJECT: FY 2006-07 Plumas County Budget**

Dear Honorable Members of the Board and Residents:

I am pleased to present my recommendations to balance the County's Final Budget for Fiscal Year 2006-07. Due to revenue restraints, it was necessary for me to eliminate many of the General Fund Budget enhancements that were added to the status quo budget during department meetings the first week of June. The General Fund Budget is balanced and is held to a modest growth rate of 2.7 percent.

I am also pleased to report that no General Fund Reserve dollars were used to balance this year's budget.

The Auditor will modify the fund balance numbers in September as a result of determining the actual fund balances as of June 30, 2006. In the event the County's General Fund balance grows, the first \$750,000 of any increase should be added to General Fund contingencies and reserves. Any additional fund balance increase could be used by the Board to fund requested enhancements to the County's Budget.

I am recommending two significant additions to the Administrative and Budgetary Controls contained in "Exhibit C" of the Resolution adopting the final budget. The first is that no transfers be allowed from Salaries and Benefits without Board approval. Second, all positions vacated during Fiscal Year 2006-2007 be reviewed by the Critical Staffing Committee for recommendation to the Board.

The budget contains a \$1.2 million premium for Worker's Compensation to address the serious problem of under funding our internal service fund. The new contribution formula takes into consideration both payroll and claim activity. The County has also hired a Risk Manager to address our growing Workers' Compensation costs, and her budget includes \$3,500 for Countywide safety training.

## Highlights of the FY 2006-07 Operating Budget

The proposed spending plan totals \$ 81,340,419 in all funds. The County General Fund Budget for FY 2006-07 is \$25,847,092 or 2.7 % higher than FY 2005-06 General Fund Budget. General Fund Reserves remain at \$2,049,680 or 8 % of the total General Fund Budget.

General Fund Revenues for FY2006-07 are estimated at \$23.4 and our fund balance per the Auditor is estimated at \$ 2.5 million. General Fund Contingencies are budgeted at \$627,567.

Plumas County is in the final stages of implementing several major capital and programming initiatives, including the Health and Human Services Center (HHS Center), and employee salary and benefit package. The two year financial impact of the employee benefit package to the general fund is approximately \$ 1.1 million. The negotiated salary and benefit package is also responsible for significant increases to the status quo budgets of non-general fund departments. The most significant cost increase to our Health and Human Service agencies is rental costs of \$752,000 at the new Health & Human Services Center.

To evaluate our FY 2006-2007 budget requests, several changes to the budget preparation process were made including a Capital Improvement Committee and Critical Staffing Committee. The following budget preparation guidelines were adopted by the Board:

- Continue our core business at a high level of quality
- Evaluate existing program efficiencies and staffing levels by completing strategic plans
- Maintain a quality work force and training opportunities
- Do not set the stage for maintenance backlogs to accomplish short-term gains
- Remain conservative with revenue forecasts
- Identify hidden and emerging problems before they reach serious proportions
- Introduce long-range considerations into the annual budgeting process

The Critical Staffing Committee has reviewed requests from eight departments for a total of 20.5 additional FTE's. At this time, I am only recommending one new position (Public Health Program Chief). The new position will coordinate planning to control influenza outbreaks and is funded by a Pandemic Flu Grant.

The Capital Improvement Committee considered 18 vehicle requests totaling \$647,392. I am only recommending the following:

(5) 2007 Ford Expeditions for Sheriff \$242,490

The following are Board directed General Fund Contributions:

- Arts Council \$25,000
- Chambers \$110,128
- Quincy Library Group \$25,000
- Tourism \$260,394
- Resource Centers \$50,000
- Mohawk Community Center \$19,999
- Economical Development \$28,500

The General Fund Contribution for the Sheriff has increased \$193,647 to a total contribution in FY 2006-07 of \$5,226,586; and \$43,081 to Probation for Juvenile Detention.

Per Board direction, other wages and overtime requests have been restored to all departments. ADA capital projects are funded at \$60,000. A generator is funded at \$7,230 in the Facility Services Department budget. Funding was also increased to the District Attorney and LAFCo. The County Administrative Officer's budget has been reduced by \$40,000 to reflect the hiring freeze for the Budget Analyst position. Probation's budget may need a mid-year budget adjustment for overtime and juvenile detention costs.

All Board approved enhancements remain in the Planning & Building Services Department budget. Those enhancements will be funded by fees generated by the department. This budget will need a supplemental request to create a revolving abatement fund.

This budget year, I am recommending that we catch our financial breath, let the impact of previous budget decisions be fully understood, and complete a number of significant planning efforts including the County's Strategic Plan. I am also recommending that we update our ADA accessibility survey transition plan and facility survey, pavement management plan and fleet purchase, maintenance and replacement fund.

As you know, a budget provides the personnel and other resources necessary to achieve an organization's priorities. I have asked the departments to include a list of their accomplishments for this last year. It is because of your budget decisions that most of these outlined accomplishments were made possible.

I want to thank Chuck Leonhardt, Gayla Trumbo and members of the Capital Improvement Committee and Critical Staffing Committee. They have spent many hours reviewing department requests and have helped me make the final budget recommendations.

I would especially like to thank Shawn Montgomery, Auditor/Controller for her outstanding work in not only populating a new budget software system but providing me with the numbers, budget comparisons and budget recommendations.

## **EXHIBIT C**

### **ADMINISTRATIVE AND BUDGETARY CONTROLS TO BE EXERCISED BY THE COUNTY ADMINISTRATIVE OFFICER, CONSISTENT WITH GOVERNMENT CODE SECTIONS 29092 AND 29125, DURING FISCAL YEAR 2006-2007**

Consistent with Government Code Section 29092, the Board of Supervisors designates the County Administrative Officer as the County Official to administer the 2006-2007 final County Budget and all policies and procedures described therein. Consistent with Government Code Section 29125, the County Administrative Officer is authorized to approve transfers and revisions within an appropriation, except for transfers from Contingency Funds and Fixed Assets.

#### **Extra and/or Temporary Help**

The Board of Supervisors delegates to County Department Heads independent authority to hire extra and/or temporary help for a period not to exceed 60 days without seeking additional Board approval, when the Department's Board approved 2006-07 budget includes adequate funding for it. Department Heads shall complete the appropriate budget transfers through the Auditor's Office to effectuate this authority.

#### **County Owned Personal Property**

The disposition, lease, sale or trade-in of all County owned personal property shall be the Purchasing Agent's or his/her designee's sole responsibility consistent with Government Code Section 25504 and Plumas County Code 3-1.19.

#### **Contracts and Leases**

Either the County Administrative Officer or a County Department Head may approve Contracts for which an appropriation is budgeted, not exceeding five hundred dollars (\$500) in value. The County Administrative Officer shall approve Contracts valued from five hundred one to ten thousand dollars (\$501-10,000) and all leases not exceeding ten thousand dollars (\$10,000). The Board of Supervisors shall approve Contracts and leases exceeding ten thousand dollars (\$10,000 and above).

#### **Special Travel**

The Auditor-Controller shall approve any cumulative transfer of less than \$750 into a departmental Special Travel account in a fiscal year. The County Administrative Officer may approve any cumulative transfer of more than \$750 in a fiscal year into a department's Special Travel account.

#### **Budget Transfers**

No budget transfers shall be allowed from Salaries and Benefits without prior approval of the Board of Supervisors.

### **Critical Staffing**

All positions vacated during the 2006-2007 fiscal year shall be reviewed by the Critical Staffing Committee for staffing priority and not hired prior to the approval of the County Administrative Officer and Board of Supervisors.

### **County Vehicles**

No County employee shall take a County vehicle home unless specifically authorized by County Policy or by the Board of Supervisors or the County Administrative Officer to do so. In no case shall a County vehicle or County equipment be used directly or indirectly for any purpose unrelated to County business.

### **Work Furlough**

The County may utilize short-term work furlough employees on a case-by-case basis throughout the fiscal year in order to produce needed salary and benefit savings, subject to meet and confer requirements.

### **Department Head and Auditor/Controller Responsibility**

Department Heads shall insure that no expenditure is made or obligation incurred in excess of the specific budget appropriation approved by the Board of Supervisors. The Auditor/Controller shall issue no warrant unless specifically approved by the Board of Supervisors or the County Administrative Officer, within the delegated authority.

**RESOLUTION NO. 06 - 7264**

**A RESOLUTION AUTHORIZING SALARY AND STIPEND ADJUSTMENT  
FOR APPOINTED DEPARTMENT HEADS AND APPOINTED NON-  
CLASSIFIED POSITIONS**

**WHEREAS**, the Board of Supervisors has taken action to increase salaries for represented employees through the Memorandum of Understanding; and

**WHEREAS**, it is appropriate that the Board of Supervisors also adjust salaries and stipends for its appointed department heads in both the classified and unclassified service, excluding County Counsel; and

**WHEREAS**, a multi-year agreement was reached for the period of May 1, 2005 through April 30, 2007. This agreement provides a cost of living increase to be effective May 1, 2006 based on the Clerical and Urban Wage Earners Consumer Price Index, February – February. The agreement also indicated a minimum of 3% and a maximum of 5%; and

**WHEREAS**, the February – February Clerical and Urban Wage Earners CPI states a 4.27% increase.

**NOW, THEREFORE, BE IT RESOLVED** by the Plumas County Board of Supervisor as follows:

1. Effective the first pay period in May, salary ranges or salaries for Department heads will be increased by 4.27% and will be as follows:
  - a. Agricultural Commissioner/Sealer of Weights and Measures

## EXHIBIT C

### ADMINISTRATIVE AND BUDGETARY CONTROLS TO BE EXERCISED BY THE COUNTY ADMINISTRATIVE OFFICER, CONSISTENT WITH GOVERNMENT CODE SECTIONS 29092 AND 29125, DURING FISCAL YEAR 2006-2007

Consistent with Government Code Section 29092, the Board of Supervisors designates the County Administrative Officer as the County Official to administer the 2006-2007 final County Budget and all policies and procedures described therein. Consistent with Government Code Section 29125, the County Administrative Officer is authorized to approve transfers and revisions within an appropriation, except for transfers from Contingency Funds and Fixed Assets.

#### **Extra and/or Temporary Help**

The Board of Supervisors delegates to County Department Heads independent authority to hire extra and/or temporary help for a period not to exceed 60 days without seeking additional Board approval, when the Department's Board approved 2006-07 budget includes adequate funding for it. Department Heads shall complete the appropriate budget transfers through the Auditor's Office to effectuate this authority.

#### **County Owned Personal Property**

The disposition, lease, sale or trade-in of all County owned personal property shall be the Purchasing Agent's or his/her designee's sole responsibility consistent with Government Code Section 25504 and Plumas County Code 3-1.19.

#### **Contracts and Leases**

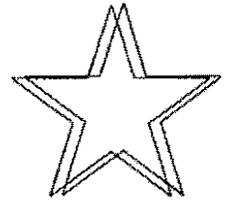

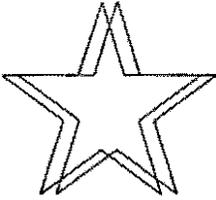

Either the County Administrative Officer or a County Department Head may approve Contracts for which an appropriation is budgeted, not exceeding five hundred dollars (\$500) in value. The County Administrative Officer shall approve Contracts valued from five hundred one to ten thousand dollars (\$501-10,000) and all leases not exceeding ten thousand dollars (\$10,000). The Board of Supervisors shall approve Contracts and leases exceeding ten thousand dollars (\$10,000 and above).

#### **Special Travel**

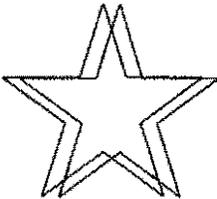

The Auditor-Controller shall approve any cumulative transfer of less than \$750 into a departmental Special Travel account in a fiscal year. The County Administrative Officer may approve any cumulative transfer of more than \$750 in a fiscal year into a department's Special Travel account.

#### **Budget Transfers**

No budget transfers shall be allowed from Salaries and Benefits without prior approval of the Board of Supervisors.

### Mission Statement

We provide local public service to enhance communities and the lives of our citizens.

The County of Plumas is a collection of dedicated, public spirited individuals, who together comprise a regional service provider and planning agency committee to maximizing resources and improving the quality of life in Plumas County.

Our core business is public safety, public health, environmental protection, regional planning, public assistance and social services.

### Statement of Function

The Plumas County Board of Supervisors oversees the management of County government and many special districts including Flood Control, Community Development Agency, lighting districts, county service areas and sewer maintenance districts.

The five Supervisors are elected by districts to four-year terms by the citizens of Plumas County.

Board members serve residents in districts of different sized areas, but the areas have approximately equal population. At the beginning of each year, the Board selects a Chairman and Vice Chairman. The Supervisors office is located in the Plumas County Courthouse, Room 201.

### Board Discussion

Revisit a recording system for Board meetings  
Complete a strategic plan  
Restored other wages  
Revisit computer purchase (2 notebook computers)

### Goals for 2006-2007

- Continue our core business at a high level of quality
- Affordable Housing
- Develop Plumas County Water Policy
- Development of Community Expansion Plan/Proposal for consideration by USFS
- Workshops/Study Sessions
  - Water Issues
  - Planning Commission (general Plan Amendment)
  - Redevelopment and Enterprise Zones

### Previous Year Accomplishments

Established NACo Prescription Drug Program  
Continue to demonstrate “Employee Appreciation”  
Presentation of “State of the County”  
Risk management Plan and Injury and illness Prevention Program  
Begin development of a Plumas County Strategic/Business Plan  
Potential short and long term uses for Armory property  
Affordable Housing  
Negotiated Tax Increment with Special Districts  
Flood Control and Water Conservation issues

Human Resources (20035)  
0001 – General Fund  
Gayla Trumbo, Director

Mission

The mission of the Human Resources Department is to provide the Public, County employees and County departments with strategic human resource services that are effective, efficient and professional.

Statement of Function

The Human Resources Department was created by Ordinance 92-794 and was given the status of a separate department from the County Administrator's office on June 15, 1999.

It is the responsibility of this Department to conduct the personnel recruitment for all County departments with the exclusion of Social Services, and Child Support, these two departments are under State Merit Systems. Human Resources files State and Federal forms associated with unemployment, workers' compensation, EEO/EOC, ADA, FMLA, FLSA, OSHA & CAL-OSHA and State Disability. Human Resources is the official depository for the Personnel Files of County employees. Functions also include preparing job classification reviews, develops and updates job descriptions, advises departments on hiring, disciplinary actions and other personnel procedures set forth by the Personnel Rules and Memorandum of Understandings. Conducts investigations regarding harassment, hostile work environment, and various other complaints filed. Enters all information pertaining to an employee for payroll, except the input of time cards and the distribution of checks. Assist the County Administrative Officer with budget preparation by providing current position allocation, salary and benefit information affecting position control.

Board Discussion

Restored other wages

Transfer of the Risk Manager to the County Administrative Officers budget.

Bring up to date the Employee years of service awards. (Unknown at this time if this will be under my budget or General Services)

Other wages to assist staff during the change over to upgraded system.

Training for County employees.

Items to revisit as tentatively approved

Cost Savings Program \$1,000

Employee Recognition Program \$500

Computers \$16,000

Tape Recorder \$400

Display Case \$400

Work Station \$1,000

### Goals for 2006-2007

- Continue to improve our services to the public, employees and departments.
- Successfully completing the conversion to the upgraded payroll system.
- Cross training staff on new system.
- Convert our current filing system from Social Security based to a miscellaneous number base.
- Find new ways to attract qualified candidates to Plumas County employment.
- Assist departments in identifying and resolving issues at the earliest stages to prevent grievances and disgruntled employees.
- Continue to develop a positive working relationship with representatives from Operating Engineers, Sheriff's Association, and the Confidential Unit.
- Assisting in the development of the employee and management committee that agreed upon in the Operating Engineers Memorandum of Understanding.

### Major Budget Changes and Augmentations

#### Previous Year Accomplishments

Assist in the reduction to workers compensation claims filed.  
Successfully recruiting for approximately 50 positions throughout the County in 05/06.  
Resolving numerous issues with employees and departments.

Auditor/Controller (20040)  
0001 – General Fund  
Shawn Montgomery, Auditor/Controller

Mission

The mission of the Auditor-Controller's office is to ensure that all County funds are accounted for and that all financial transactions are recorded properly; following government code, state and federal guidelines, and Board policy.

Statement of Function & Activity:

The Auditor Department's primary function is to make sure that County funds which were \$71,529,996.21 at the end of May 2006 (including general fund, trust funds, school funds, special district funds and enterprises funds) are safe-guarded and accounted for by following applicable federal, state, government code, and county Board of Supervisor's mandates. This is accomplished by auditing all financial transactions to include: payroll processing, tax roll adjustments, vendor claims, deposits, moving funds via journal entry, and budgetary entries. The auditor's department averages auditing and processing 1000 claims, 45 journal entries, and 15 budget transfers per week and 400 county and special districts employees are paid biweekly.

The auditor's department maintains the tax roll, prepares tax calculations (AB8 factors, tax rate, bond rate, relating to annexations and proposition 4 limits) and allocates all property tax revenue (calculating amounts to apportion for all rolls-secured, unsecured- aircraft, boat, supplemental, unitary and delinquent). We prepare various property tax reports-State annual property tax, community colleges, schools, ERAF, and State Board of Equalization.

The county and special district payrolls are processed in the auditor's department which includes auditing and entering timecards to federal, state and local employment laws, while following the terms of 6 different MOU's (sheriff, craft & trades, mid-management, confidential, general and department head) in addition to numerous single employee contracts and special districts who have an entirely different set of rules. All federal, state income and state disability taxes are balanced and deposited each payroll along with the balancing and remittance of all employee related deductions. Quarterly federal 941's and State DE6's are balanced and reported, and annual reports and w2's are processed. Both insurance plans (PERS and Operating Engineers) are collected, balanced and remitted on a monthly basis.

Claims are processed in one week, out the next. Vendor numbers are assigned, while claims are audited following the many federal, state and county rules and regulations in addition to checking the departments budgeted amounts and making sure that proper department, cash and expense accounts are being used. 1099's are balanced and processed annual, and state independent contractor reports are remitted every 20 days. Journal entries and budget transfers are audited and processed daily. Contracts and vendor w9's are audited and tracked.

Noteworthy Accomplishments: The biggest accomplishment is being able to meet the many strict deadlines while maintaining minimum errors and high output. Our office must be diligent in staying abreast to the many rule/regulation changes. While we do not make the rules, we are charged with making sure that they are followed-while this is not always the most popular job, we feel that if we stay consistent, helpful, and pleasant that we can do this while maintaining a good relationship with other county departments and employees.

Treasurer-Tax Collector (20050)  
0001 – General Fund  
Ginny Dunbar, Treasurer/Tax Col.

### Mission

The Office of the Plumas County Treasurer-Tax Collector is committed to meeting the challenges of the twenty first century by having a public service of talent, of commitment, and of dedication to the highest ethical standards.

### Statement of Function

The office of Treasurer is an elected office that has been combined with the function of Tax Collector. The Treasurer is responsible for the cash management, investment and safekeeping of all funds of Plumas County and public agencies in the County Treasury.

The Tax Collector function involves responsibility for the billing and collection for all personal and real property taxes levied in the County. Further, the Tax Collector collects taxes on mobile homes, business license fees in the unincorporated area, transient occupancy tax, and various other taxes and special assessments.

The Collection Division of the Treasurer-Tax Collector's Office involves responsibility for the billing and collection of all fines, fees, and restitution ordered by the Courts. Further, collection services are offered to all County departments needing this service.

### Board Discussion

Treasurer has lowered her budget over last year

### Goals for 2006-2007

- New accounting system conversion
- Increase functions of on-line banking
- Improve information to taxpayers regarding supplemental tax bills
- Replacement of Treasury cashiering and scanning systems
- Continue to pursue all collection methods

### Previous Year Accomplishments

Implemented Comprehensive Collection Program  
Increased delinquent collections through personal contact  
Employee cross-training  
Weekly staff meetings

Mission

The goal of our department is to provide competent, efficient and cost-effective legal representation and advice, thus advancing and protecting the programs and financial resources of the County.

Statement of Function

Our office fulfills both mandated and discretionary services. For example, our office fulfills the mandatory duties of providing legal services in civil matters to the County and all of its departments and agencies, and opposing all illegal claims and accounts. The Department also reviews or drafts contracts, leases, ordinances and resolutions, provides statutory interpretations, drafts legal opinions on various issues, represents the Department of Social Services and the Public Guardian in dependency and public guardian matters, and appears for other County departments on all court-related matters. The Department also keeps the Board and other County officials informed regarding pending or potential litigation assists in the resolution of personnel matters, assists in monitoring or drafting changes to legislation, and other duties as assigned by the Board.

Board Discussion

Discussed legal representation for railroad issues coming from road fund

Goals for 2006-2007

- Continue legal representation to the County at a high level of quality and service
- Reduce, if possible, new claims presented to the County
- Assist in implementing Board priorities
- Assist with the development of a natural resources function, if desired
- Identify hidden and emerging problems before they reach serious proportions

Major Budget Changes and Augmentations

None

Previous Year Accomplishments

Completed trial court transfer of Portola facility

Assisted with the Feather River Watershed-Integrated Regional Water Management Program

Prevailed in open range litigation

Participated in and tracked multiple on-going litigation matters:

Obtained dismissal at district court level of one pending litigation matter (on appeal)

Settled one litigation matter at no cost to County

Obtained voluntary dismissal in another matter

Coordinated with other Counties in Diebold and PG&E litigation

Continued legal role in code compliance enforcement, dependency and public guardian matters

Participated in developing several County policies, including loan policy, tax exchange policy, etc.

Elections (20100)  
0001 – General Fund  
Kathleen Williams, Clerk/Recorder

### Mission

The Plumas County Clerk-Recorder's Office

Promotes public confidence by providing the very highest level of courteous efficient service,

Achieves open communication through teamwork and the spirit of goodwill,

Provides ethical performance while maintaining and preserving the public's records in a secure and easily accessible environment,

Ensures integrity in the administration of fair and impartial elections.

### Elections Division

The Elections Division is responsible for conducting all local, district, county, state and federal elections as required by California State and Federal laws. We oversee the candidate nomination and filing process, scheduling and coordination of all polling places and poll-worker training sessions. All official ballot layout, sample ballot preparation as well as voter registration and maintenance of over 13,000 voter records are all part of this departments' function. Multiple concurrent elections are coordinated and conducted throughout the year in several areas of the county. This department serves as the official filing office for Fair Political Practices Commission requirements and enforces the County's conflict of interest codes.

### Board Discussion

Restored Other Wages \$8,500

Restored Overtime \$3,600

### Goals for 2006-2007

- Streamline the local candidate filing process.
- Provide a significant amount of election and candidates procedures on our webpage, with our own content management.
- Prepare and distribute on-line election calendar information.
- Provide the ability for staff to attend specialized training for the election process.
- Distribute informational guidelines to all local special districts.
- Develop poll-worker training class utilizing visual training methods.
- Continue to provide a high level of courteous, efficient service
- Provide input and service to other county departments and local offices as needed.

### Mission

The Mission of The Information Technology Department is to assist County departments in achieving their missions through the use of information technology by establishing a cost-effective direction for information technology management, including network design, applications development, database administration, data center operations, operating system support, telecommunications systems support and collaborative services.

### Statement of Function

The Plumas County Department of Information Technology is responsible for all information services, and technical operations in support of those services, for all County departments. Established in the early 1970's to assist the Auditor in the conversion of accounting procedures to electronic computer equipment, the Information Technology department today operates the County *Data Center*, located in the courthouse, as well as providing both system development, and support services for all levels of computing systems throughout all County offices. In addition to support of computer systems the Information Technology department has responsibility for County telecommunication services and support.

### Board Discussion

Board to revisit Content Management System

### Goals for 2006 – 2007

- Continued support for all major systems.
- Upgrades to the County network infrastructure to support more interactive Web services.
- Migration from the County's legacy Worldmark 4400 computer system.
- Implementation of the Auditor's accounting software.
- Relocation of services for the Probation Department to East Quincy.
- Relocation of services for District Attorney and Victim Witness on Courthouse 4<sup>th</sup> floor.

### Major Budget Changes and Augmentations

Network infrastructure review and upgrade.  
NCR 4400 Server replacement.

### Previous Year Accomplishments

Relocated data and phone service for departments in the new Health and Human Services Building.  
Upgraded all UPS protection for County servers.  
Implemented cost center model for interdepartmental billing.  
Installed hardware and software for upgrade of Auditor's accounting system  
Upgraded Permit software for Building and Planning services.  
Implemented AntiSPAM and AntiVIRUS software for County e-mail.  
Implemented centralized printing using Cannon copiers to replace individual inkjet printers.  
Implemented the EIMS voter registration system.

Public Defender (20320)  
0001 - General Fund  
Superior Court

Statement of Function

The State is constitutionally required to provide indigent defendants with counsel. Government Code Section 277067 delegates that responsibility to County government. This service may be provided by establishing a Public Defender's office or contracting with private counsel. Public Defender costs are related to indigent clients in adult, juvenile and mental health proceedings.

The County contracts with four defense attorneys to provide for indigent defense.

Comments and Recommendations

The recommended budget for this department reflects County charges for Public Defender services for those persons who cannot afford an attorney. Currently the biggest single item in this budget is cost for the contracts of the four contracted Public Defenders.

There are no Fixed Assets requested or recommended.

Intensive Drug Supervision (OCJP) (20370)  
0001 – General Fund  
Reginald R. Valencia, Chief Probation Officer

STATEMENT OF FUNCTION

This grant is shared with the Sheriff and the District Attorney. Our Department focuses on supervising convicted adult drug offenders in the community. It was only recently learned that funding has been decreased. This year the Probation Department portion, limited to wages and benefits, will fund a Probation Officer for only a portion of the budget year. Last year, we reassigned a lower paid officer in order to fund a full-time position for this grant. At this juncture, even a lower paid officer would not be funded by the grant for the entire budget year. We are requesting a .25 FTE Probation Officer II position to augment the anticipated shortage of wages and benefits.

### Mission Statement

The Plumas County Probation Department Mission Statement:

*The Plumas County Probation Department is committed to protecting the community and minimizing the impact of crime by providing a high quality of professional service to the Courts, offenders, and victims.*

### Statement of Function

The Probation Department is responsible for a wide variety of mandated criminal justice activities and services which enhance the operation of the Superior Court and promote the safety of the community. Accurate and professional assessment of risks and needs of youth, adults, and families under our jurisdiction determines the extent of intervention necessary to effect positive changes. A system of graduated sanctions is employed which balances the needs of the offender with that of protecting the community.

On order of the Court, bail investigations are conducted to determine adult offender eligibility for release from county jail pending further Court proceedings. Adult misdemeanor and felony pre-sentence investigations are conducted culminating in completion of a report with a recommendation for an appropriate disposition. Adult offenders placed on minimum to maximum supervision are monitored for compliance to conditions imposed by the Court. Surveillance, searches, drug/alcohol testing, electronic monitoring, house arrest, and community service oversight, collection of fines, fees, and restitution, and referral of offenders to community resources are activities commonly initiated and monitored by the Probation Officer and Probation Officer Assistants. Progress and violation reports are completed and submitted by Probation Officers to the Court as required.

The Probation Department is a participant agency in the Adult Drug Court, Proposition 36, and OCJP grant programs which operate on a strategy of diverting our substance abusing population from more serious involvement in the adult correctional system. The Intensive DUI Grant Program recently funded by the State of California Office of Transportation Safety promises to provide very close monitoring and treatment services for Plumas County repeat DUI offenders. This grant also provides a public education component.

The juvenile intake process is a 24/7 activity requiring “on-duty” officers to respond to a variety of referrals, predominantly from law enforcement agencies, relating to the misconduct of juveniles in Plumas County. These individuals are screened and a determination is made as to appropriate alternatives ranging from counsel and release home to juvenile hall detention.

Pre-dispositional and dispositional alternatives such as foster and group home placements are also initiated to stabilize and provide a safe living environment for appropriate youth referrals. A Juvenile Justice Crime Prevention Act grant provides funding for a mental health therapist who is assigned to the Probation Department to complete assessments and professional counseling. Grants from a variety of sources help support: camp placements, transportation to and daily cost of out of county juvenile hall commitments (Plumas County has no juvenile hall).

Juvenile officers complete dispositional, violation, and progress reports for the Court. Mandated monthly visits with minors in out of county placements are conducted by a Probation Officer. Juveniles placed on minimum to maximum supervision are monitored for compliance to conditions imposed by the Court. Surveillance, searches, drug/alcohol testing, electronic monitoring, house arrest, and community service oversight, collection of fines, fees, and restitution, and referral to community resources are activities commonly initiated by the Probation Officer. Juvenile Probation Officers coordinate with schools, other county departments, and community service agencies to insure a comprehensive approach in the effort to prevent youthful offenders in Plumas County from more serious involvement in the criminal justice system.

### **Goals for 2006-2007**

- Improve Departmental staffing infrastructure with strategies addressing planned succession and wider delegation of responsibilities
- Continue to involve motivated staff in planning and implementation of Departmental improvements
- Seek and promote models of efficiency and flexibility in all operational activities
- Improve quality of reports to the Court
- Establish offender risk/needs assessment and case review process
- Replace current bail assessment tool
- Develop and initiate internal supervision case review/audit protocol
- Identify and implement performance based objectives for supervision casework
- Adopt an "Officer Safety Handbook" and train officers in how to use it
- Revise and update current Department Policy Manual
- Establish internal Prison/Youth Authority Recommendation Review Committee
- Enhance recruitment effort for new probation officer positions
- Explore and implement cost-saving options for out-of-county juvenile detention

### **Major Budget Request**

- New Building improvements to include telephones and CLETS machine
- JABG funds roll-over
- Drug Court Enhancement Substance Abuse grant expires June 30, 2006
- JJCPA fund roll-over approximately \$11,700.00
- DUI Intensive Supervision – request .50 FTE P.O. (may increase to .75 FTE).
- Intensive Drug Supervision (OCJP) – request .25 FTE P.O. II.
- Federal Jail Removal Grant expires June 30, 2006.
- Presentence Report Writer – decrease .75 FTE (replace with DPO II – see next item).
- Deputy Probation Officer II – request 1.0 FTE
- Deputy Chief Probation officer – request 1.0 FTE
- Fiscal and Technical Services Assistant II. – request 1.0 FTE
- Deputy Probation Officer I – request 1.0 FTE
- "IT" costs have more than doubled
- Purchase six new computers to replace obsolete computers per IT recommendations.

### **Board Discussion**

Restored Other Wages and Overtime

Increase funding for increased Probation Costs

Additional funding for Juvenile Hall, Quincy

Carry forward was approved to complete the move to new offices

**Items receiving tentative due pass, but not in budget and to be revisited**

Staffing \$55,000

Computers \$7,800

Furniture \$4,000

Chairs \$600

**Previous Year Accomplishments**

- The Plumas County Probation Department's most noteworthy accomplishment has been the staff's ability to maintain a level of service acceptable to the Court through extreme staff shortages for a sustained period in 2005 and 2006. Staff shortages persist, although some relief has been realized in the Juvenile Division. Three Probation Officers have been hired with excellent qualifications. Contingency strategies continue to get the Department through very difficult times. Should Safety Retirement be approved for officer staff, both recruitment and retention issues will be mitigated.
- The department has changed in a number of ways to become more efficient. We have instituted a Court Officer function to cut down on Probation Officers spending time in court waiting for their case to be called. Instead, they can be in the field making home visits or in the office completing paperwork. We have also initiated a greater focus on determining financial ability for probationers to pay fines, fees, and restitution. This effort is just beginning and will continue to be enhanced. Greater coordination with the County Treasurer has also been initiated and will improve collection of these Court ordered obligations.
- The creation of a management team to address a wide variety of departmental issues is also among the Departments' noteworthy accomplishments. It consists of the two probation supervisors, the clerical support supervisor, and the Chief. There is open discussion and planning for improvements to departmental operations. Many important decisions are made by this group.
- Approaches and programs to eliminate wasteful and inappropriate practices within the department continue to be implemented. The previous urine testing strategy for juveniles was unnecessarily consuming staff time and travel costs because testing was typically being conducted at the juvenile's home. Individual trips to the homes and the possibility of there being no one home was not an efficient testing activity. A strategy similar to the adult fixed site testing location strategy was initiated, thus eliminating travel expenses and staff time for this activity. A testing site in Greenville was added to eliminate "no-shows" due to transportation problems.

JABG Juvenile Accountability Block Grant (20404)  
0001 – General Fund  
Reginald R. Valencia, Chief Probation Officer

Statement of Function

The California Corrections Standards Authority (CSA) has made available federal Juvenile Accountability Block Grant (JABG) set-aside funding for specific counties. These Set-aside dollars are designed for those counties falling below the minimum funding threshold in federal funding years 2003-2005. Pursuant to a federal requirement, all funds need to be expended by November 30, 2006. Therefore, unexpended funds will have to be rolled over to the 06/07 budget. We only recently received this grant.

These JABG funds will augment our Juvenile Intensive Probation Supervision Program. The largest portion of funds will be devoted to a two component addition of services for “pre-placement” prevention and “post-placement” intervention for selected juvenile wards. We will also augment staff hours for our “curfew” program and provide funding for psychiatric examinations for court wards in need. The remainder of funds will finance psychological exams for six Probation Officer Assistants, purchase behavior incentives, fund special outings, and purchase emergency clothing for minors on probation.

Probation-Intensive Supervision (20412)  
0001 – General Fund  
Reginald R. Valencia, Chief Probation Officer

Statement of Function

The Juvenile Justice Crime Prevention Act (JJCPA) continues to fund the Intensive Supervision Program here in the Probation Department; it is administered now by the California Corrections Standards Authority (CSA). The grant currently provides for a portion of the salary and benefits of two Mental Health therapists, who work directly with our Juvenile Officers and the Court on selected juvenile probationers. There is no change this year in the amount of funding from last year (\$58,188); however, with higher personnel costs, we would have ended up with less were it not for a roll over from this year. CSA has approved this action and it can only be estimated at this time that approximately \$11,700.00 will be available to roll over. We reimburse Mental Health for partial wages for the two part-time Mental Health Therapists (split.75 FTE) and we also pay .25FTE for our Office Assistant from this grant.

Probation-DUI Intensive Supervision (20414)  
0001 – General Fund  
Reginald R. Valencia, Chief Probation Officer

STATEMENT OF FUNCTION

The Fiscal year for this grant is October 1, 2005 through September 30, 2006. The grant focuses on an intensive supervision strategy for multiple DUI offenders in the community. All excess funds will need to be rolled over by the Auditor at the end of the county budget year, June 30, 2006. We have submitted an internal budget transfer for approval for all services and supply items to be moved in this grant to wages and benefits in order to extend the life of the grant. This was originally to be a two year project; however, our Department was delayed in initiating the grant due to unanticipated staff shortages. The grant administrator will allow us to continue until all grant funds are expended. We project this to be at the end of December, 2006. The grant will possibly be renewed in December, but we are not relying on this possibility. We are requesting a .50 FTE Probation Officer position from the General Fund to augment the anticipated shortage of wages and benefits.

Agriculture/Sealer of Wgts. & Measures (20425)  
0001 – General Fund  
Karl Bishop, Commissioner

Mission

The mission of the Agricultural Commissioner/Sealer of Weights and Measures is to promote and protect the agricultural industry of the State of California and the Counties of Plumas and Sierra , while also protecting the environment, citizens of the county and the county's workforce, and to provide equity in the marketplace

For consumers and businesses alike.

Statement of Function

The Agricultural Department, in conjunction with its state partners, is responsible for the enforcement of the California Food and Agriculture Code and the California Business and Professions Code as it applies to Weights and Measures and the Structural Pest Control Industry. The department ensures that new insect and weed pests do not become established in the counties through pest detection and exclusion programs and by regulation of nurseries and seed shipments. The department also prevents the spread of established injurious pests through its pest management and eradication programs, especially in the noxious weed arena. The department is charged with pesticide use enforcement to prevent the misuse of pesticides, thus avoiding damage to the environment and impacts to the health and safety of county citizens and workers using these products. The department oversees the direct marketing program, including the Farmers Market and participating growers, allowing fresh quality produce to be marketed directly to the public. The department ensures that all commercial weighing and measuring devices used in the county are accurate and used in an approved manner assuring equality in the marketplace. It is also the duty of the department to verify that packaged commodities contain the labeled quantities and are advertised correctly, petroleum products perform to specifications and pre-measured products meet stated quantities.

Board Discussion

Provide \$350 for added vehicle maintenance

Goals for 2006-2007

Implement provisions of SB 391, adding a pesticide drift component to the general plan

Secure additional mosquito fish and develop a sustainable supply

Assist with AB 2479 passage securing permanent funding for "C" rated noxious weed control

Implement a new fee schedule for device registration

Creation of manageable database to monitor and track noxious weed control progress

Meet state mandated program requirements with existing funding

Develop a plan and secure funding and to implement a seasonal weed control position for the summer of 2006

Work with Environmental Health and the Health Dept. to educate the public about Asian Bird Flu

Continue to work on budgetary procedures to level out Unclaimed Gas Tax funding

### Previous Year Accomplishments

Implemented a new program to distribute mosquito fish to reduce mosquito populations  
Obtained the necessary hardware and training to automate quantity control inspections  
Substantially increased the participation in the cooperative yellow starthistle program  
Found new funding to maintain the yellow starthistle and tall whitetop control programs  
Participated in establishment of a West Nile Virus Task Force  
Successfully inoculated two sites with yellow star thistle rust  
Filled Administrative Assistant's position  
Secured additional funding from Sierra County RAC for noxious weed control  
Successfully brought a major structural pest control case to resolution

### Mission Statement

The Public Guardian provides compassionate and humane services to individuals whose limitations caused by age or disability, or impairments from accidents or illness has rendered them permanently incapable of making decisions on their own behalf.

### Statement of Departmental Function

The Office of the Public Guardian/Conservator is an independent division of the Department of Social Services. The Superior Court appoints the Public Guardian/Conservator to make decisions on behalf of the Conservatee that support and encourage their capabilities and wishes specific to their living situation, financial means, medical and dental needs and legal obligations. The Guardian also secures and/or performs inventories and appraisals to assure the protection of Conservatee assets. All activities that are performed on behalf of a conservatee must be reported to and approved by the Superior Court at least annually.

The determination that a person lacks the capacity to make decisions for themselves must be verified by a medical or mental health professional. Confirmation of an individual's incapacity is subject to a finding of fact and an order of the Superior Court.

### Policy Items

There are no policy items for consideration in this budget. The proposed budget maintains service levels at the present rate.

### Department Goals

1. Continue to apply the "best interests" rule to all actions performed on behalf of conservatees.
2. Assure the safety, health and well-being of all public conservatees.
3. Prepare accountings timely and accurately.
4. Assist health care providers, social workers and others as necessary in understanding the requirements necessary to establish a conservatorship.
5. Maintain complete and accurate case records, expense and income accounting necessary to ensure that the public trust is maintained.
6. Maintain the high levels of competence through employee training and experience.

### Major Budget Changes

There are no major budget changes proposed in the 2005-2006 budget requests.

### Prior Year Accomplishments

1. Worked closely with the Adult Protective Services unit in Social Services on cases requiring joint investigative activity.
2. Outside auditor found no exceptions and made no management recommendations following 2005 audit.
3. Transferred conservatee from another County to assist that individual in meeting his goal to live independently.
4. Gained experience with new forms of conservatorship for mental health treatment.

Mission

The District Attorney is a constitutional officer and the public prosecutor acting on behalf of the people. He is constitutionally vested with complete independent power to evaluate, investigate, and detect crime and to conduct prosecutions for all public offenses. The District Attorney fulfills these important responsibilities through the efforts of his employees, who have been specifically charged by the District Attorney with adopting the highest standards of ethics and professionalism.

The District Attorney's Office is committed to enhancing the fundamental right of the people of Plumas County to a safe and just society. To this end, based on an assessment of local needs, we are specifically engaged in a long-term heightened focus on methamphetamine distribution, child abuse-related crimes, and environmental offenses. Our mission is to carry out the law in a fair, evenhanded, and compassionate manner.

Statement of Function

It is the responsibility of the Public Administrator to handle the estates of deceased persons in the absence of any other legally responsible individual. The function requires the detailed crosschecking and verification of the deceased's physical assets and money, as well as distribution. This budget also includes the costs for indigent burials and may vary somewhat from year-to-year depending on the number and size of estates.

Goals for 2006-2007

- Handle every estate that requires the Public Administrator with high standards and according to law.

### Mission

The mission of the Department of Planning and Building Services is to promote the public health, safety and welfare of the residents of Plumas County through oversight of the built environment.

### Statement of Function

The Department of Planning and Building Services is charged by law with the administration and enforcement of the laws of the State of California and of Plumas County regulating land use, development and building regulation. Staff guides and administers county land use and development through a General Plan for the systematic use of the land and resources of Plumas County and through administration and application of the County zoning ordinances. The Department administers and enforces the building standards and codes of the State and County to preserve safety and public welfare in residential and commercial construction, and provides technical direction to the county construction industry. The staff of the Director's Office directs Department policy, procedures and operation, implements the policy and functional direction of the Board of Supervisors and County Administrative Office, administers Department fiscal matters, and provides law enforcement services to Planning and Building staff and allied agencies of the State, the County, and the local communities. The Department also provides support and staffing to the Planning Commission in their task of developing comprehensive revision of the Plumas County General Plan and provides Zoning Administrator functions.

### Board Discussion

Code Enforcement eliminated request for two vehicles  
Permit Assistant funded at \$52,790  
Assistant Code Enforcer position denied  
Staff engineer for plan check eliminated until next fiscal year  
Employee training budget approved at \$38,533  
Communication system was approved \$1,120

### Goals for 2006-2007

- Complete documentation of standards of uniformity in revision of the General Plan.
- Continue to reduce processing time for permits and entitlements.
- Establish and develop a professional clerical support staff.
- Initiate ongoing functional training of Department managers and supervisors.
- Document and implement an internal system of fiscal administration and control.
- Implement a system for the uniform documentation of internal policies and procedures.
- Identify and implement processes to enhance employee professionalism.
- Initiate development and application of long and short term management planning.
- Initiate pursuit of employee parity in professional competence and compensation.
- Initiate adoption and operation of the Service Authority for Abandoned Vehicles.
- Formalize internal management processes of problem identification and resolution.
- Formalize an internal process to identify and resolve employee training needs.
- Enhance methods of employee recognition and appreciation.

### Major Budget Requests

- Increase staffing by two (2) FTE, Permit Assistants for staff and management support.
- Increase staffing by one (1) FTE, Enforcement Assistant for Code Enforcement support.
- Increase staffing by one (1) FTE, Staff Engineer for plan check operations.

### Mission

The Plumas County Clerk-Recorder's Office

Promotes public confidence by providing the very highest level of courteous efficient service,

Achieves open communication through teamwork and the spirit of goodwill,

Provides ethical performance while maintaining and preserving the public's records in a secure and easily accessible environment,

Ensures integrity in the administration of fair and impartial elections.

### Statement of Function

#### Recorder Division

Since 1854, the Plumas County Clerk-Recorders' Office has maintained a historic library of records documenting the history of each land parcel located within the county. We provide daily public access to indexes and images of land title records displaying ownership, property descriptions, and transactions documenting a trail of events pertaining to each parcel. These records are available for businesses and individuals conducting information and title searches. Early records and current status information on area mining claims can also be researched in the Recorders' Division. The Vital Statistics section of the department preserves the history of citizens in the county by maintaining records starting with birth, marriage, military service, business propriety, home and property ownership, family genealogy and eventually, death. This fundamental department generates substantial revenue to the county by the collection of documentary transfer tax and recording fees, not requiring an allocation from the general fund for its operation.

#### Goals for 2006-2007

- Continue to provide a high level of courteous, efficient service to the public and other departments.
- Installation of upgraded software and technology for better public research ability.
- Software upgrade will allow us to approach our next goal of scanning historic records for more efficient access.
- Enhance online access to official records - providing the Department of Information of Technology acquires upgrades in their department in the upcoming fiscal year. Our goal since 2000, is to have the ability to place our indexes to official records on our website for access via the internet.
- Allocation of enough staff to provide cross-training opportunities and rotation of duties.
- Elimination of forfeiting vacations and lunch hours to cover absent staffing conditions.
- Provide input and service to other county departments and local offices as needed.

#### Major Budget Changes and Augmentations

Re-instatement of lost .5 staff position in Recorder's Division.

Previous Year Accomplishments

Began upgrade of Recorder's Information and Imaging System, RiIMs.

Replacement of major system components including the Main Server.

Upgrading staff workstation configurations.

Kept production acceptable for the past two years with staff shortage.

Continued with preservation of historic book project.

Participation in County Strategic Plan.

Participation with Capital Facilities Committee.

Statement of Function

RECORDS MANAGEMENT DIVISION

The Records Management Division was created in 1997 with a future goal of the Board of Supervisors to provide a service to other departments for their needs in Records Access and Retention. We provide various departments with electronic access and the ability to share many records such as Board of Supervisors agendas, minutes, resolutions and ordinances. We provide Building, Planning, Engineering, Environmental Health, Assessor and Recorder an ability to share parcel data that improves the ability to verify items such as well and septic permits, building permits, assessed value etc. Custom index programs with images have been designed for many other departments including Auditor, Assessor, Building Department, Museum, and Human Resources. Records Management staff also provides the staffing requirements for the IGS Department and maintenance of the reproduction center that includes the copy machine equipment and postage equipment. Accounting services for the copy and postage machines are also provided by staff from Records Management for various departments' use of the center.

Board Discussion

Records Management software upgrade \$3,450

Goals for 2006-2007

- Continue to provide document support services to county departments.
- We are embarking on a new branch of service by providing the ability to scan maps in a color format. As many of the maps rely on colors in their legends, this will make viewing these maps that have been archived fully reliable as a resource and not just for preservation.
- We anticipate bringing several new departments into production in the upcoming year with the new capabilities we will have with replacement of our failing equipment.
- Continue to provide a high level of courteous, efficient service.

Major Requests

Replacement of first generation scanning equipment and failing computer equipment.  
Additional staff training.

Previous Year Accomplishments

Archived records for the Clerk to the Board of Supervisors, the Assessor, Museum and others.

Provided confidential scanning services to Human Resources and the Auditor.

Cross trained, re-organized duties and provided support as needed to continue to provide an acceptable level of service to our current customers during staff shortage.

Supported the implementation of a new copy machine contract and needs assessment.

Participation in County Strategic Plan.

Participation with Capital Facilities Committee.

Environmental Health (20550)  
0001 – General Fund  
Hank Foley, Director

### Mission

The mission of Environmental Health is to preserve the environment and enhance public health through outreach, education, collaborative planning and sensible application of environmental health principles, laws and statutes.

### Statement of Function

There are nine major State-mandated programs administered by Environmental Health including: Solid Waste; Food and Consumer Protection; Land Development and Use; Hazardous Materials Management (CUPA program); Housing and Institutions; Liquid Waste; Water Supply Protection; Recreational Health; and Vector and Rabies Control.

### Board Policy Items

The proposed Status Quo budget maintains existing programs and service levels. Budget increases include personnel (cost of living adjustments) and A-87 costs associated with the new Health and Human Services Building.

Revenue increases are anticipated in Fees for Service with a new fee schedule approved effective July 1. Unfortunately, State Augmentation funding for the small public water systems program which was received last year is not anticipated during FY06-07.

### Board Action

Approve the budget for Environmental Health (Budget Unit 20550) as recommended.

### Goals for 2006-2007

- Continue environmental health service delivery in the above nine core program areas
- Integrate Air Quality and Environmental Health office and reception functions in new Health and Human Services building
- Build collaborative relationships between Environmental Health and Air Quality staff
- Convert existing vertical files to horizontal files compatible with new HHS filing system and continue collaboration with Records Management for electronic imaging of data
- Complete Lake Davis water quality assessment through contract with Lawrence Livermore National Laboratories
- Complete Lake Almanor watershed assessment in collaboration with the Sierra Institute and Public Works Department
- Continue existing contract for CUPA program service to Sierra County
- Provide increased information, communication and data submittal utilizing the county's website
- Promote employee training and state registration for EH Specialist Trainee

### Major Budget Changes and Augmentations

Increased Service and Supply costs associated with A-87 for new Health and Human Services Building  
Increased personnel costs associated with negotiated cost of living increases

### Previous Year Accomplishments

Effectively implemented environmental health programs countywide  
Added Small Public Water Systems administration to locally provided services through Primacy Agreement with state Department of Health Services  
Successfully moved Environmental Health offices to the new Health and Human Services building  
Began state-approved Environmental Health Specialist Trainee program for two staff  
Provided West Nile Virus surveillance and mosquito surveys as part of the collaborative West Nile Virus Task Force  
Provided Serv-Safe food safety certification for over 50 local restaurant owners and operators

Care of Court Wards/Juvenile (20630)  
0001 – General Fund  
Reginald R. Valencia, Chief Probation Officer

Statement of Function

Virtually all of this money had been utilized for mandated transportation and housing costs associated with detention of juveniles. It has been determined by Federal authorities that juveniles are no longer in danger of being housed in adult facilities and that funding for Jail Removal activities be terminated. The allocation has expired. In previous years, Juvenile Hall costs for out of county bed space, transportation, electronic monitoring costs, emergency foster care costs, and services and supplies (gas and meals), were shared by this grant and the General fund. For the coming year, we will be requesting that \$42,750.00 be allocated from the General Fund for Department 20639.

Probation-Court/Care of Court Wards (20639)  
0001 – General Fund  
Reginald R. Valencia, Chief Probation Officer

Statement of Function

This Department funds commitment and detention costs for juveniles under order from the Juvenile Court. Item #53044 represents the former Temporary Aide to Needy Families (TANF) revenue source, recently changed to the Juvenile Probation Camp Fund (JCPF) administered by the State Corrections Standards Authority (CSA). Previously the funds were used exclusively for juvenile boot camp placements and now have been authorized for expanded use for juvenile detention.

Item #53120 is General Fund money used for California Youth Authority commitment costs, medical costs for juveniles in custody, and bed space in out-of-county juvenile halls for detention costs pending Court proceedings, or for short term commitments. We also cover excess boot camp placement costs after Juvenile Probation Camp Funding money (formerly TANF) has been expended and we pay for emergency foster care costs and electronic monitoring. In the coming year, the Jail Removal Grant (20630) which, in part, funded these activities has expired. Therefore, \$43,081.00 has been added for costs of bed space to our General Fund request in Item #53120.

The Probation Department also received \$1,000.00 from a Plumas County Child Abuse Prevention Council mini-grant to be used to pay transportation costs associated with parent-foster child visitations. With no end date, unspent funds can be rolled over to the 2006-2007 budget.

Library (20670)  
0001 – General Fund  
Margaret Miles, Librarian

### Mission

The Plumas County Library provides free access to printed, audio-visual and electronic forms of information, and educates the community as to the uses and value of resources. Serving as a gateway to knowledge beyond its collection, the Library is a reflection of the community, a gathering of its knowledge, culture and information.

### Statement of Function

The Plumas County Library provides materials in print, audio-visual and electronic formats to serve the informational and recreational reading needs of residents. The Library obtains, catalogs and delivers these materials to full-services branches in four communities, and also operates library stations in Taylorsville, LaPorte, and four in Sierra County. Library branches also answer reference questions, and provide programming to encourage a love of books and reading in children.

### Board Discussion

Restored Other Wages

### Goals for 2006-07

- Training for branch staff on electronic reference sources, security, & improved public service
- Provide computer literacy classes at four branches
- Provide quality summer reading program at all library locations
- Continue offering preschool story times at each branch
- Continue providing new non-fiction and fiction materials to patrons
- Upgrade public computers using Gates Foundation funds
- Provide access to enhanced online catalog with pictures of books and reviews
- Offer patron-placed holds through online catalog

### Major Budget Changes

The greatly reduced revenue in this year's budget is owing to the end of one-time grants in the amount of \$72,301, and the end of Federal Allocation funds in the amount of \$52,205. Services & Supplies accounts have been reduced by \$68,777.

Federal Allocation funds have funded the Library's book and supplies budgets for the past two years; as I reminded the Board in my mid-year report, these accounts have traditionally been funded by the County.

Substitutes are utilized to extend library hours at branches, to cover vacation and sick leave, and to cover Branch Library Assistants during programming. The Library's Extra Wages category includes funding to continue computer instruction to the public in 06-07.

### Previous year accomplishments

#### Circulation statistics:

During fiscal year 2004-05

- 81,678 books, videos, cd's, books on tape, and magazines were checked out
- 20,830 people used the library to access the Internet
- 3,338 volumes were added to the Library's collection
- 2,312 questions were answered by staff
- 93,600 visitors came to libraries in the county  
(this does not include use of meeting rooms)

#### Borrowers:

As of June 30, 2005 the library had 12,102 registered borrowers

#### Programs for children:

132 Preschool Story time programs were offered countywide, with a total of 2,150 children attending. 117 programs were offered to school-age children (Summer Reading programs, class visits, and after-school programs included), with a total of 2,619 children attending.

Computer training: The Computer Literacy grant provided the library with a mobile computer lab and funding for an instructor for 05-06. The Library has offered 44 individual classes so far, with attendance of almost 100.

Literacy (20675)  
0001 - General Fund  
Margaret Miles, County Librarian

Mission

The Plumas County Literacy Program provides free, confidential tutoring or small group instruction in Adult Reading and basic skills, G.E.D. preparation as well as programs for youth, both adult and youth English Language Learners, workplace literacy and Family Literacy.

Since it was established in 1992 with a five-year establishment grant from the California State Library, the Plumas County Literacy Program has served over 700 learners of all ages at branch libraries throughout the County.

Statement of Function

The Library is requesting a budget of \$58,255 for the Literacy program. The Library is anticipating revenue in the amount of \$41,754, and is planning to raise an additional \$5,000 with fundraising efforts. The Library is requesting \$11,501 from the General Fund.

Sierra County Literacy (20678)  
0001 - General Fund  
Margaret Miles, County Librarian

Mission Statement

The Sierra County Literacy Program provides free, confidential tutoring or small group instruction in Adult Reading and basic skills, G.E.D. preparation as well as programs for youth, both adult and youth English Language Learners, workplace literacy and Family Literacy.

It was established in 1995/96 with a five-year establishment grant from the California State Library in collaboration with the Plumas County Library. The Plumas County Librarian has fiscal and administrative responsibility for all Sierra County Literacy's State funded programs.

Literacy offices or tutoring sites are located in Sierra City, Loyaltown and Downieville. A Family Literacy outreach program brings monthly programs to other communities in Sierra County.

Statement of Function

Sierra County Literacy program is entirely grant funded, and operates in Sierra County under the administration of the Plumas County Library. The Plumas County Library requests a budget of \$54,124 for the Sierra County Literacy Program, based on revenue of the same amount.

### Mission

The University of California Cooperative Extension in Plumas-Sierra Counties is part of a statewide system that makes UC research based information available to local agencies, industries and the public. Our mission is to provide education and applied research in the areas of agriculture, natural resources, youth development (4-H) and public policy.

### Statement of Function:

Established in 1914, Cooperative Extension is the informal off-campus educational and outreach arm of the University of California, Division of Agriculture and Natural Resources (DANR). County based advisors and staff interact with specialists at UC land-grant colleges (Davis, Berkeley, Riverside) and Agricultural Extension Research Centers across the state to deliver research and practical information from the University to clientele plus act as the link to involving University resources to assist with local agricultural and natural resource issues as well as youth and community development.

UC Cooperative Extension has been operative in Plumas-Sierra Counties since 1946. The current MOU between UCCE, Plumas and Sierra Counties was approved May 1976. The University pays the salaries and benefits of UCCE employees as well as provides some monetary support for workgroup activities plus Internet access and email support. US Department of Agriculture provides money for postage used by our department and for bulk mailings of newsletters & flyers. Based upon an agreed formula in the MOU, Sierra County reimburses Plumas County 20% of the direct operating costs plus related indirect costs for the local Cooperative Extension Office. Most grants secured by staff are held in University accounts.

### Board Discussion

Restored Other Wages

.5 FTE reinstated in budget

Copier and small tools received a tentative do pass and are to be revisited

### Goals for 2006-2007

- Maintain our high level of quality relevant applied research, outreach and public service
- Continue to engage employees in departmental operations and demonstrate appreciation
- Provide safe and secure working environments for our dedicated staff (UC & County)
- Provide sufficient resources and adequate training for employees to effectively manage the huge diversity of projects undertaken by our department
- Continue to interact in a variety of natural resources issues across the two counties
- Monitor water quality across the Upper Feather River Watershed re: irrigated agricultural
- Develop reports on the history of ag water use and management practices in the major irrigated valleys across Plumas and Sierra Counties (surveys and landowner interviews)
- Complete Forest Fuel Reduction Guide for Landowners
- Continue to support education & applied research partners in Plumas County Fire Safe Council
- Facilitate constructive dialogue between the US Forest Service and the Maidu Cultural and Development Group re: Maidu Stewardship Project

- Conduct week-long Forestry Institute for Teachers at UC Forestry Camp, Meadow Valley
- Conduct and provide educational workshops on community fuel reduction monitoring
- Complete first series of fact sheets aimed at citizen participation in the land use process
- Recruit and retain more volunteer 4-H leaders for delivery of youth development program
- Secure and train Coordinator and Camp Counselor Trainer for 4-H Camp at Bucks Lake
- Facilitate Bi-County 4-H events, activities and training sessions
- Assist with school garden project at Quincy-area elementary school
- Produce & distribute newsletters (4-H, Agriculture & Natural Resources, Irrigated Lands)
- Expand and improve functionality of websites on UC system to better serve clientele needs
- Assist with Niche Meat Marketing Conference and assessment of resources in N. Calif.
- Assemble and use Geographic Information System to explore spatial data relationships of Sierra County deer and vehicle interactions along Hwy 49 and 89
- Conduct noxious weed control research and agronomic variety trials and extend results
- Facilitate local Cultural Tourism efforts including the arts, historical, agriculture & nature
- Mentor Feather River College student via funding from California Communities Program
- Improve time, data and physical materials management for better staff health & well-being
- Encourage County to improve facility accessibility for public meeting places
- Investigate ways to “share the load” and improve administrative efficiencies and effectiveness within UC and the County

#### Major Requests

- Reinstate ‘Other Wages’ funding to provide temporary seasonal assistance to our 1 clerical
- Resume funding level of salary and benefits to match FTE allocation to our Department
- Purchase County Truck to replace 1989 Ford Ranger
- Increasing fuel costs impact status quo budget (utilities, communications, and travel)
- Uncertainties re: IT charges to our department and A-87 figures (both impact revenue)
- Expanded capacity of CE to address critical needs of local residents via outside grants

#### Previous Year Accomplishments

- Secured State Water Resources Control Board Grant to work on Irrigated Lands in the Upper Feather River, hired 4 part-time temporary UC employees to assist with project implementation, developed Quality Assurance & Monitoring Plans, started monitoring
- Completed 14<sup>th</sup> year of Forestry Institute for Teachers Program, UC Forestry Camp
- Secured Renewable Resources Extension Grants to work on fuels reduction & land use
- Completed Pre-Fire Planning for Rural Communities & Firewise Education
- Cowboy Unite, collaborative effort among USFS, Cal Trout, UCCE and grazing permittees
- Barns, Birds and BBQ, celebrating ranch stewardship and natural diversity in Sierra Valley
- Facilitate northern Sierra field trip and workshop on Rural Tourism Opportunities
- Organized Tools for Working Landscapes Workshop dealing with land use issues
- Facilitated management of Plumas-Sierra 4-H Youth Development Program & 4-H Camp
- Coordinated weed management research across Lassen, Plumas and Sierra Counties
- Published California Agriculture & Nature Tourism and Dryland Pasture publications
- Created and distributed regular newsletters, meeting notices and made web posting
- Assisted UC Berkeley grad student compiling geospatial data on historic Madiu allotments

### Mission

The mission of the Plumas County Museum is to interpret to a broad public audience, in innovative and meaningful ways, the history of Plumas County from its beginnings, and to relate that history, when appropriate, within the broader context of Plumas County and encompassing region.

### Statement of Departmental Function

The Plumas County Museum opened in October 1968 as a joint facility with the Plumas County Chamber of Commerce. Officially designated as a cultural department, since the dissolution of the Chamber of Commerce, one of its major functions is to also serve as an information center for residents and visitors. Beyond providing general and specific tourist information, referrals, and services, the Museum also conducts school tours, educational programs, receptions, civic and business group tours, and other visitor related services. As the archival repository for Plumas County, the Museum houses an enormous collection of historic photographs, negatives, documents, diaries, letters, local and regional histories, and official County records dating from the 1850s to 1960. One of the finest Maidu Indian basket collections in California can be found at the Museum along with thousands of pioneer era artifacts representing Plumas County's history for present and future generations. Continual changing of the Museum's displays encourages local and out of county visitors back time after time, as well as allowing many artifacts to be rotated out of storage. The Museum also advocates for the county's other eight volunteer museums and assists with technical support and advice whenever requested or necessary. Plumas County and its residents are proud of the Plumas County Museum, an institution that has developed a solid and respected reputation statewide among other museums, libraries, universities, and the public in general.

### Goals for 2006-2007

- Continue our programs and events at a high level of quality.
- Promote local artists in the Stella Fay Miller Mezzanine Gallery.
- Continue our successful relationship with Plumas County schools.
- Maintain our countywide exhibits in libraries and other facilities.
- Continue to contribute to the economic development of Plumas County.
- Promote staff excellence in all that we do.
- Maintain quality staff and provide training opportunities.
- Provide accessibility for individuals with disabilities.
- Continue to develop and diversify our Board of Directors and Board of Trustees.
- Develop and enhance our two websites.
- Expand our volunteer base and demonstrate volunteer appreciation.

- Continue to publish our quarterly newsletter.
- Continue to assist Plumas County's other museums as needed.
- Restructure our Archival Collection storage system.
- Continue to assess and refine the Museum's Artifacts Collections.
- Complete ongoing renovation of the 1876 Hall-Lawry Home Museum Annex.
- Begin refurbishment of the historic 1864 Taylorsville School.
- Continue our efforts for cultural and historic preservation in Plumas County.
- Secure funding for the Spanish Peak narrow gauge railroad project.
- Complete publication of our new book, *Recollections of a '49er*.
- Continue our map and photo digitization project with CSU Chico.
- Create new exhibit/storage area for wagons and other exterior artifacts.
- Attempt to secure outside funding, although we have no resources for this.

Statement of Function

The provision for the Contingencies budget provides for emergency funds to the various funds in the County budget. It is this budget unit that is considered the emergency account for unforeseen circumstances that require additional funding. Such expenditures may be the result of activity in the Criminal Justice System which was unforeseeable and uncontrollable, the County's local match requirement for Social Services programs which are caseload driven beyond local control, storm damage or other emergencies, equipment failure, etc.

The government code provides that contingency amounts for the various funds may not exceed 15% of the operating budget.

Comments and Recommendations

Contingencies approved at \$627,567.

Board Discussion

Increase contingencies to approximately \$1.2 million once Auditor provides final fund balance numbers. Increase General Fund Reserves by \$843,405 to restore money used in Budget 04/05 to Balance.

From this amount the Board will be asked to fund increasing costs that accrue throughout the year, including medical insurance contributions, salary and benefit changes negotiated with our employees, unanticipated expenses and any additions the Board may include with the recommended budget.

Policy Items

Within the discretion provided by the State Budget Act, the amount and use of the Contingency is all a policy item.

Road Department (20521)  
0002 – Roads  
Tom Hunter, Public Works Director

Mission:

To provide the best, safest and most convenient road system for the users.

The mission and goals for the Road Department are to provide the best, safest and most convenient road and bridge system within the revenues that it can garner. The major activities are system maintenance and improvement through maintenance and construction.

Many projects are governed by regulation, environmental requirements and statute. These are becoming more costly and time consuming and deflate our available dollars.

Our mission is to seek out all funding sources and implement them to benefit the road system.

Goals for 2006-2007:

- To seek more consistent funding so that more projects and maintenance can be accomplished. Re-authorizing the Schools/County/Federal Bill is of primary importance. We are also striving to gain benefits from the new Federal Transportation Bill and receive more favorable funding from the State Transportation Improvement Program.
- The last goal is to repair the flood damages experienced at the first of the year.

Previous Year Accomplishments:

Last construction season \$650,000 was spent from Road Funds to pave and chip seal certain roads. Likewise, this year we have a program to spend \$750,000 on similar projects. We have purchased two (2) new rollers, three (3) new pickups, an asphalt grinder and a limb chipper to enhance our abilities.

We also held a surplus auction and generated \$126,573 in sales and cleaned up our yards.

Mission:

The overall mission of the Plumas-Sierra County Fair is to create an event center adapted to the needs of the community and out of area interest parties wishing to bring a variety of events to the area. In doing so we build partnerships with governmental agencies, local groups, individuals, and private enterprise who share the same goals of enhancing our community. It is also our goal to continually develop educational exhibits and to promote our agricultural resources for the enrichment of all who enter our gates. Funding for such projects are generated from fairground revenues, Plumas County, State funding, partnerships and private funding sources.

Statement of Function:

The Plumas Sierra County Fair is lively, complex, colorful, active and pleasing to the eye, unifying surrounding and outlying communities and celebrating both counties by promoting year around maximum use as an events center with full board of directors involvement.

Goals:

**GOAL ONE:**

**DEVELOP A FUNDING PLAN FOR IMPLEMENTATION OF APPROVED FAIRGROUNDS PROPERTIES MASTER PLAN.**

- **EXPLORE GRANT FUNDING OPPORTUNITIES.**
- **EXPLORE PARTNERSHIP FUNDING OPPORTUNITIES.**

**GOAL TWO:**

Develop and implement a formal marketing strategy for the Fair and Events Center.

- Assign implementation responsibilities to existing staff.

### GOAL THREE:

Assure future financial viability.

- Ensure maximum employee efficiency.
- Develop year around interim use.
- Develop and review annually the major maintenance plans for the buildings and grounds.

### GOAL FOUR:

Enhance community and surrounding areas participation and awareness of Fairgrounds events.

Encourage volunteer participation for Fair and Fairgrounds sponsored events.

### Description of the Organization:

Located in northeastern California where the Sierra Nevada and Cascade Mountain Ranges meet. Rugged canyons, crystal clear lakes, grassy meadows, trout-filled streams, fresh pine forests, brilliant star filled skies are the perfect setting for the Plumas Sierra County Fair which has been referred to as the Cleanest and Greenest for many years. The Plumas Sierra County Fair began under the auspices of the Plumas County Agricultural, Mechanical and Industrial Society, which held the first Fair September 9-11, 1859. These first Fairs were in Quincy as this community had the best track for races horses and horse racing was an integral part of these early Fairs. Under the auspices of the 11<sup>th</sup> District in the 1880's the Fair was moved around the county from Greenville to Sierraville and one was also held in Susanville located in Lassen County. In 1889, the Fair expanded beyond livestock to include the first parade, agriculture, home arts and fine arts exhibits. From 1894-1939 Fairs were not held in Plumas County due to various financial crashes and wars. In 1940 the modern Plumas County Fair came into being complete with exhibits, horse racing and a rodeo. Sierra County took part in this first County Picnic Day (now known as the Fair) by providing one ton of beef for a barbeque for all fair patrons. In 1996, Sierra County was acknowledged by adding their name to the Fair title and continuing a fair rich in rural agriculture heritage. Although auto racing has replaced horse racing, today's Fairs have not changed much since the 1889 Fair. It is still a unique blend reflecting the past and present with an eye to the future. The Fair has a thirteen member Board of Directors. There are three full time staff members and the C.E.O. The Fair has developed many strong partnerships in the communities. Public and financial support has grown over the past years. The Fair Board and staff work to promote the facility and events with the needs of the communities taken into consideration. The roots of the agriculture community are strongly supported. The Fairgrounds also serve as a diversified events center, Red Cross evacuation center, High Sierra Youth Center, Senior Nutrition Center, Auto Racing Event Center among many other large venues.

Courthouse Remodel (20137)  
0006 – Capital Improvement  
Jack Ingstad, CAO

This cost center contains funding for the Courthouse remodel to be undertaken and completed once the County Permit Center is open and the Planning, Building, Engineering and Assessors offices have moved to their permit center.

The Courthouse remodel is intended to convert space vacated by Planning and Engineering into a Courtroom and Judges offices, more appropriate than what currently exists on the first floor.

Solid Waste (20579)  
0009 – Solid Waste  
Tom Hunter, Public Works Director

Mission/Statement of Function

To provide a solid waste system that meets the ever changing State laws and regulations and collect the waste at a reasonable cost to the public.

Goals for 2006-2007

- To adopt the existing collection system to meet new regulations while keeping the system economical. To meet the Universal Waste regulations.

Previous Year Accomplishments

In 2004 the Parcel Fee was eliminated as the Closure Fund has collected the necessary funds. A four percent (4%) surcharge was approved on the collection rate to fund the ongoing County portion of the solid waste system. This appears to be working well.

Solid Waste Grants-Bottle (20704)  
0009 – Public Works  
Tom Hunter, Public Works Director

Mission/Statement of Function

Plumas County receives two grants related to oil recycling and CRV collections. This budget account allows for the receipt and expenditures of those funds.

Goals for 2006-2007

- To spend these monies in a manner to promote recycling within the County.

Previous Year Accomplishments

Fair booth with giveaways.  
Recycling receptacles for various locations.

Airport Operations (20891)  
0010 - Airports  
Sid Roberts, Director

Statement of Function

The airports budget reflects the required fund necessary to maintain the three County airports. Airport managers are provided at Chester and Beckwourth and management at the Quincy airport is provided by the airport coordinator.

In order to maintain a balanced budget the County will be required to increase a profit on fuel sales as well as hanger-lease rates.

### Mission Statement

The Department's employees have adopted this mission statement. The statement reflects the Department's commitment to provide services in a courteous and professional manner. In doing so, we will be respectful, compassionate, supportive and impartial. Efficiency, integrity, and respect for individual dignity will govern the manner in which we deliver services to Plumas County citizens.

- ⌘ We will commit to a philosophy of mutual respect, courtesy and responsiveness between management, staff, the people we serve and the community.
- ⌘ We will encourage the people we serve to recognize personal responsibility and achieve financial self-sufficiency.
- ⌘ We pledge to protect and advocate for individuals and families.
- ⌘ We will embrace an organizational philosophy to develop and support staff, individually and in teams, to be professional, competent and highly skilled.
- ⌘ We will administer mandated services to individuals and families in accordance with Federal, State and County regulations in an effective, efficient and compassionate manner.

### Statement of Function

The Department of Social Services delivers public social services and public assistance to low income Plumas County citizens. The services and financial assistance we provide include protecting children and vulnerable adults from abuse, neglect and/or exploitation; temporary cash assistance, food and medical benefits; and employment services programs. All of the Department Social Services programs are mandated by Federal and state law; or by Plumas County Board of Supervisor's resolutions and ordinances.

The services we provide include direct intervention and other forms of assistance to the County's residents who are least able to protect themselves: abused and neglected children, the elderly, and those persons whose lives are affected by infirmities and disabling conditions that might prevent them from remaining at home.

The services provided by the Department include Children's Protective Services (CWS), Adult Protective Services (APS), and In-Home Supportive Services (IHSS).

The Department also issues temporary cash assistance and provides employment services under the CalWORKs program, food assistance (Food Stamps), assistance for medically needy families and individuals (Medi-Cal and CMSP), transitional services for foster youth (Independent Living Program Services, ILPS); and, cash loans for indigent adults (General Assistance).

Most of the funding for Department operations is provided to the County from annual appropriations of the State General Fund, federal block grants such as Temporary Assistance to Needy Families (TANF) and other federal and state sources. The state and federal funds are disbursed, monitored and controlled through a state allocation process that utilizes caseload information and base year costs upon which the budget year allocations are framed. In accordance with the County's budget policies, the Department's budget reflects the Department's best estimate of available funding from these outside sources at the time the budget is prepared.

Most programs include a mandated match requirement from local funding sources that, in aggregate, represents about fifteen percent (15%) of the budget total. In the past, such funds have been supplied from the Realignment Trust Fund, which represents an apportionment of vehicle license fees and state sales taxes. The budget continues to be structured in this manner for FY 2005-2006. When Realignment Funds are not sufficient to meet the County's required local contribution, the mandated contribution must come from the County General Fund. We do not anticipate the need for a General Fund contribution for the budget year.

All programs in the Department have, as their broad mission, the preservation of the health, safety and well being of the citizens we serve. Inasmuch as the programs are mandated, there is no established internal priority relationship between the various benefits and services the Department provides.

#### Policy Items

1. Vehicle Replacement. The proposed budget for the Department of Social Services includes the cost of replacing two vehicles at an estimated cost of \$30,000 each for a total of \$60,000. The vehicles to be replaced presently are a 1999 Mercury Mountaineer with 112,428 miles and a 1995 Ford Taurus that was transferred to the Public Health Department.

#### Board Action Requested

Adopt the Department of Social Services Budget as recommended.

#### Department Goals

1. Improve child safety through implementing the elements of the Child Welfare Services System Improvement Plan (SIP) approved by the Board of Supervisors and as mandated under AB 636.
2. Improve the priority assessments for referrals to Child Protective Services. The Department will take major steps toward the implementation of Structured Decision Making, to achieve standardized assessments of risk factors for children and families referred for investigation of abuse or neglect.

3. Utilize partnerships with community based organizations to strengthen families who are at risk of coming into the Child Welfare Services system. Implement Differential Response through community partners such as the Family Resource Centers, Plumas Rural Services and the Plumas Crisis Intervention and Resource Center.
4. Reduce the number of children in Out of Home Placement, and for those in such placement, reduce the amount of time they spend there.
5. Implement Peer Quality Review System in the Child Welfare Services Program.
6. Continue to build on the Quality Assurance components in the In-Home Supportive Services program.
7. Implement Phase III training in the In-Home Supportive Services program aimed at achieving more uniform and standardized assessments of persons who are applying for or receiving In-Home Supportive Services.
8. Implement Federal TANF Work requirements for full engagement.
9. Assist with efforts to minimize county risk exposure to indigent care costs.
10. Continue quality appraisal and quality assurance efforts in categorical assistance programs.

#### Major Budget Changes

1. Eliminate Capital Improvement funds
2. Increased Routine Travel costs due to gas price increases.
3. Continue funding for community-based partnerships and Child Welfare Services System Improvement
4. Continue funding for Small County Initiative Partnership with Plumas Rural Services

#### Prior Year Accomplishments

1. Successful move of business operations to new site.
2. Upgrade and technical refresh of ISAWS Computer hardware at no cost to the County.
3. Reduction in number of children in Foster Care.
4. Establishment of the Differential Response Collaborative.
5. Implementation of Quality Assurance in IHSS.
6. Began implementing Structured Decision Making.
7. Training delivered to the public on child abuse indicators
8. Joint investigations of elder abuse with the District Attorney

### Mission Statement

The mission of the Public Authority is to enhance the availability and quality of In-Home Supportive Services; to give consumers a voice in IHSS and Public Authority policy, program development and operations, to provide consumers with access to IHSS providers who meet consumers' service needs and to provide services that support a positive and productive relationship between the consumer, provider and IHSS Social Worker.

### Statement of Function

In-Home Supportive Services (IHSS) provides home-based care and personal services to low income elderly and disabled persons who are at risk of being placed in an institutional setting (such as long-term care). The caregivers who work in IHSS client's homes are commonly referred to as "providers".

Prior to 1999, IHSS in-home care providers were not eligible for collective bargaining. During that year, AB 1682 (Chapter 90, Statutes of 1999) was passed by the legislature and signed by the Governor. This law requires Counties to act as or to otherwise designate an employer of record for the providers of in-home care for the purposes of the Meyers-Milias-Brown Act (Government Code Section 3500, *et seq.*) and other laws related to collective bargaining.

The Board adopted Ordinance No. 02-981, on November 5, 2002. This ordinance amended Chapter 11 of Title 5 of the Plumas County Code and established the Plumas County IHSS Public Authority which meets the requirements of AB 1682. The Public Authority is governed by the Board of Supervisors in an "ex officio" capacity (the Board sits as the governing body independent from their role as the Board of Supervisors).

The Board contracts with the Nevada-Sierra IHSS Public Authority for administrative services including an Executive Director, maintenance of a registry of IHSS providers and assistance with employee relations and collective bargaining. The budget in this Department pays for these services.

### Department Goals

1. Complete negotiations with representatives of IHSS providers.
2. Support the work of the Plumas County IHSS Advisory Committee.
3. Provide high quality training to providers
4. Keep registry of Plumas County providers accurate and up to date.

### Budget Changes

There are no significant budget changes in this Department.

### Prior Year Accomplishments

1. The registry serves 25 providers in Plumas County, 17 of whom are currently working.
2. Regular First Aid and CPR training to providers.

Social Services-Community First Grant (70592)  
0013 – Public Assistance  
Elliott Smart, Director

Mission Statement

The mission of the Department of Social Services with regard to this program is to provide fiscal support to the project.

Statement of Function

The Community First Grant is a project funded by the California Endowment. This is a three year project to improve oral health in Plumas County. The sole role of the Department of Social Services in regard to this program is to function as the fiscal agent for the administration of the grant funds. At the time that this award was made, former Plumas County Health Department Director, Rita Scardaci, was a Board member for the California Endowment. At the granting agency's insistence, an "arm's length" arrangement was required in order to receive the funds. It is for this reason that funds are received in the Department of Social Services.

Goals

These will be reported by the Public Health Department.

Budget Changes

Mental Health (70570)  
0014 – Mental Health  
John Sebold, Director

### Mission

The mission of Plumas County Mental Health is to provide quality mental health services, supported by sound business practices, to enhance people's ability to participate effectively within their community.

### Statement of Function

Plumas County Mental Health provides a full range of outpatient services, case management and socialization services. More intensive services such as acute hospitalization, long-term intensive residential services, and state hospital services are provided by contracting with appropriate agencies. The services array includes: general mental health assessments, psychotherapy, acute inpatient, 24-hour emergency assessment, case management, day treatment programs, medication support and Therapeutic Behavioral Services (TBS). Plumas County Mental Health is the managed care provider for all Medi-Cal Mental Health services for the county of Plumas.

### Board Discussion

Paint upgrade \$5,000

### Goals for 2006-2007

- Continue to provide a quality work environment that is dedicated to respecting employees and consumers.
- Continue to optimize State and Federal funding to provide the highest level and quality of service possible to Plumas County citizens.
- Continue to successfully comply with all Federal and State audit standards.
- Complete submission and initiate implementation of Mental Health Service Act projects including: 1) Developing partnership with Area on Aging Senior Companions project to increase access to mental health services for seniors, 2) Development and operation of transitional employment program for adults recovering from mental illness and youth who are transitioning to adulthood, 3) Re-establishment of Children System of Care Coordinator position at full time status to improve coordination of children services including children 0-5, 4) Establish interconnected communication system with capacity for electronic records system development, 5) Development of Greenville community service site with partners including the Community Services District, Plumas Crisis Intervention Services and Social Services and 6) Continue to expand regional mental health services and partnerships with regional health care providers.
- Continue to develop Wraparound services to decrease out of home placements of youth
- Increase compliance to Federal HIPAA Security regulations
- Expand "Girls Group" to include nutritional education and independent living skills development

- Maintain children and youth mental health service programming that focuses on their strengths and capacities.
- Develop partnerships with Public Health, Social Services and First Five to assess and strategically plan for the mental health needs of children 0-5.
- Complete an assessment of current policy and procedures and update to include Federal Integrity and Compliance regulations, Federal HIPAA privacy and Security regulations and DMH compliance regulations.

Major Budget Changes The department is anticipating approval of the MHSA in budget year 06-07

Previous Year Accomplishments

- Maintained and fostered a positive, dynamic working environment that respects employee and management team input and creativity.
- Completed initial submission of the Mental Health Services Act Plan.
- Developed the template for HIPAA Security Regulation for the County of Plumas in collaboration with County Counsel.
- Completed move to new Health and Human Services facility without delay or interruption of services.
- Developed a progressive plan for the improvement of the infra structure of the main clinic and regional sites.
- Successfully completed State audits with no disallowances and minimal plan corrections. This included cash and asset audit and program audits.

### Mission

Our mission is to promote individual and community health through effective and respectful services, planning and policy. We strive to develop collaborative relationships that strengthen and empower the community, enhance the quality of life and safeguard the environment.

### Statement of Function

Public Health provides a vast array of services for and throughout Plumas County and the North State region. Programs administered and services provided include: Communicable Disease Control, Immunizations, Family Planning, Child Health Disability Prevention, California Children's Services, Maternal Child Health, Perinatal Outreach Education, Medi-Cal Administrative Activities (MAA), and Nurse Case Management in HIV/AIDS. Child and Adult Protective Services and In-Home Support Services are provided through a MOU with Social Services. Community-based programs include Childhood Injury Prevention Program, Plumas Community Network, Childhood Lead Poisoning Prevention, Teen Pregnancy Prevention and Public Health Preparedness. In budget unit 70560 various health educations and treatment programs exist including, Tobacco Use Production, HIV/AIDS Education and Prevention; Early Intervention Program, Case Management Program (CMP), Ryan White Care Act, Housing Opportunities for Persons Living with AIDS (HOWPA) and Title III HIV/AIDS Treatment. Contracts with community based organizations expand the Department's ability to deliver services countywide, and within our five County region. The Public Health Department is funded primarily by State categorical grants, realignment funds, and contracts with other agencies, fees for services, Correctional Facility Medical Services, and Public Health Preparedness. These Public Health programs offer comprehensive health services prevention and referral. Contracts with community-based organizations expand the Department's ability to deliver services county-wide. The Public Health Department is funded primarily by State categorical grants, federal funds, realignment, contracts with other agencies and fees for services.

### Goals for 2006-2007

Alcohol/Drug (70580)  
0016 – Alcohol/Drug  
Reg Valencia, Interim Director

### Mission

The Plumas County Alcohol and Drug Program will support appropriate education, prevention and treatment services to reduce or eliminate alcohol and other drug related barriers to the ongoing health, well being and economic independence of individuals, families and the community.

### Statement of Function

The Alcohol and Drug Programs are combined in this budget unit and consists of nine categories: Outpatient Services, Residential Treatment Services, Community Outreach and Prevention Programs, School Based Programs, Mandated Driving-Under-The-Influence (DUI) Programs, Perinatal Programs, Proposition 36 (Substance Abuse and Crime Prevention Act), the Adult Drug Court (Drug Court Partnership and the Comprehensive Drug Court Initiative), and Friday Night Live Mentoring. These Programs are then delivered throughout the county using satellite offices to provide services to Portola, Quincy, Greenville, and Chester.

### Goals for 2006-2007

- Continue to deliver our core services with a high level of quality.
- To adopt the best practices model for Co-Occurring Mental Health and Substance Abuse issues.
- To complete the MOU's with Probation, the Superior Court, and District Attorney regarding level of service, quality of service, and treatment requirements for mandated/court ordered services.
- Lower the numbers of clients placed in residential care and deliver those services through an intense and structured out-patient setting within the program.
- Utilize the data that is obtained through the CalOMS State ADP requirement to provide quality services to focused populations throughout the county.

### Major Budget Requests

To operate one budget unit under Fund 16 that will decrease budget transfers and allow the department's budget to follow State ADP guidelines for allocations across all programs.

To continue to allocate expenses to all programs and develop an in-depth budget to assist the program with future cost and expenditure reports.

The program will continue to fund 2 FTE positions that are vacant at this time.

## Previous Years Accomplishments

Facilitate a weekly mental health group within the Crisis Center.

Facilitate a bi-weekly mental health group with the clients of the Sierra House.

Immediate and significant response to all client requests from Mental Health, Crisis and Resource Centers, Hospitals, Plumas Rural Services, Jail, and Family Services.

Initiated services for a minimum of five severely mentally ill clients to Mental Health, then took the lead on developing outcomes for these dual diagnosed cases.

Assisted the Juvenile Justice Commission in re-establishing their focus and purpose; while bringing citizens, consumers, and a juvenile to the Board.

Began regularly scheduled individual and group sessions in Chester, Greenville, and Portola with continued increase in client population.

Increased response to all emergency requests from the hospitals in Quincy, Chester and Greenville.

Started networking with Physicians in the county educating them on the use of Naltrexone for substance abuse treatment.

Improved client access into the outpatient program – average walk-in client is seen within 15 minutes.

Provide immediate services to any client request from the Sierra House.

Actively joined every community forum and workshop including community assessment for Proposition 63.

Active member of the Plumas County Child Death Review Team.

Actively encouraged *Prevention by Design*, University of Davis, State adopted prevention and planning system.

Developed affordable access to a “medical-detox” system. This ability has not been available in the past.

Wrote the prevention grant for the Health Department and Law Enforcement.

Re-started Friday Night Live in Chester, Taylorsville, Greenville, and Quincy. This program has not been available for the past five years.

Beginning to implement a science-based approach rather than the traditional 12-Step model that has been utilized in Plumas County for years.

Provide drug testing at the Crisis Center by furnishing instant drug tests in order for a client to continue services with Alcohol and Drug and the Crisis Center.

Sheriff/Coroner (70330)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Coroner

### Mission

It is the mission of the Plumas County Sheriff's Office to serve our community by delivering fair and ethical law enforcement, protecting the innocent, apprehending criminals, maintaining public order, providing for the care and custody of prisoners, and by establishing the cause, manner, and mechanism of death in Coroner's cases. This mission is accomplished through commitment, dedication, and provision of excellent services to the residents and visitors of our community.

### Statement of Function

The Sheriff is the chief law enforcement officer of the county. The office of Sheriff is established by the California Constitution (Article XI, Section 1, Subdivision (b)) and by statute (Government Code Section 24000). The Sheriff is elected to a non-partisan office for a four-year term. The jurisdiction of the Sheriff extends throughout the county, including the City of Portola and state and federal owned property.

The Sheriff is generally charged with preserving the peace, enforcing criminal statutes, and investigating known or suspected criminal activity. The Sheriff is specifically charged by statute with the duty to serve various forms of civil process and to operate the county jail. The Sheriff is the coordinator for law enforcement, mutual aid, and is responsible for search and rescue. In Plumas County, the offices of Sheriff and Coroner are combined. Coroners' duties are defined in the California Government Code, commencing with Section 27400.

The Sheriff's Office is a multi-faceted law enforcement agency providing a full range of law enforcement services. It operates in a highly regulated environment and must comply with numerous federal, state, and local requirements and mandates. The Sheriff's Office strives to provide the highest level of service and protection to the community.

### Board Discussion

Increased General Fund contribution by \$216,412.

Approved 5 vehicles

No personnel increases

### Goals for 2006-2007

- Continue to provide the protection and services that the citizens of Plumas County want and deserve
- Maintain prudent fiscal management and enforce strict department budget policies in order to keep costs to a minimum
- Continue to provide the most efficient and effective law enforcement services possible and render these services with an intelligent expenditure of available resources
- Remain devoted to providing professional, responsive service to the community
- Begin upgrade of communications system<sub>242</sub>

### Major Budget Requests

Under-sheriff Mareina's compensation for time accrued upon his retirement at the end of December 2006

Increase in personnel allocation of .5 FTE Sheriff's Investigator

Increase in personnel allocation of .5 FTE Sheriff's Investigator because of reduction in grant funding for drug enforcement

Purchase of five new patrol vehicles

Reduction in IT charges because of implementation of new system

### Previous Year Accomplishments

The most significant and visible accomplishment by the Sheriff is the new 911 dispatch center. Considerable planning went into this project. The installation of a new radio console system has added two additional radio consoles as well as access to the County's fire repeaters, California Warning Alert System (CAWAS) and three levels of redundancy to assure communications to units in the field. The new dispatch center now has the expanded capability to speak with any other Sheriff's Office, OES, National Guard and NOAA Weather Centers either directly via radio or by a state supplied satellite system should conventional communications fail. This level of communications and redundancy was never available to Plumas County before and should serve well in the event of a disaster. The installation included re-working the radio equipment room to make sure the equipment therein was in proper fixtures to resist damage by earthquakes and protected by centralized uninterruptible power supply for all infrastructure related equipment and lighting for improved reliability and accessibility. The installation of the new records and jail management systems, computer aided dispatch and electronic mapping, which are necessary for the completion of the project, is in the final stages and will be fully operational in early June 2006.

Sheriff-SCAAP OJP BJA (70333)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Corner

### Mission

The mission of the State Criminal Alien Assistance Program (SCAAP) is to provide Federal assistance to States and localities that are incurring the costs of incarcerating undocumented criminal aliens who have been accused or convicted of State and local offenses and have been incarcerated for a minimum of 72 hours.

### Statement of Function

The State Criminal Alien Assistance Program (SCAAP) is administered by the Bureau of Justice Assistance (BJA), Office of Justice Programs (OJP), United States Department of Justice (DOJ), in conjunction with the Immigration and Naturalization Service (INS). SCAAP provides Federal assistance to States and localities that are incurring costs of incarcerating undocumented criminal aliens who have been accused or convicted of State and local offenses and have been incarcerated for a minimum of 72 hours. SCAAP is authorized by Section 241 of the Immigration and Nationality Act of 1990, as amended, 8 U.S.C. Part 1231(i). Section 241 gives the Attorney General the discretion, in the event of an appropriation, to either assist States and localities with costs incurred in incarcerating qualifying criminal aliens or take such aliens into Federal custody. The Attorney General has exercised discretion to use the financial assistance option by delegating program implementation authority through the OJP Assistant Attorney General to BJA. BJA is a criminal justice grant-making and administrative agency; SCAAP is a program that provides financial assistance only.

The budget is 100% grant funded.

SHERIFF-COPS Tech. Init.(70335)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Coroner

Mission Statement

The mission of the COPS Technology Initiative is to improve communications between public safety agencies.

Statement of Function

COPS Technology grants provide funding for the continued development of technologies and automated systems that help Tribal, state, and local law enforcement agencies prevent, respond to, and investigate crime. This funding allows state agencies to purchase technologies to advance communications interoperability, information sharing, crime analysis, intelligence gathering, and crime prevention in their communities.

This funding was obtained to help fund the new 911 Dispatch Center. All expenditures are for technology related to that project.

This budget is 100% grant funded.

Sheriff-OES Drug Enforcement (70337)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Corner

### Mission

The mission of the Drug Enforcement grant is to reduce the availability of illegal drugs and use of controlled substances throughout Plumas County.

### Statement of Function

Plumas County began receiving this annual allocation in 1990 for the implementation of a drug control strategy program. The Plumas County Anti-Drug Enforcement Operation is a multi-jurisdictional task force which incorporates the Sheriff's Office, the Probation Department, and the District Attorney's Office. Funding is provided by the Bureau of Justice Assistance – Justice Assistance Grant (JAG) and administered by the Governor's Office of Emergency Services (OES). The ADA Steering Committee, made up of the Sheriff, Chief Probation Officer, and District Attorney, determines the needs of the project and negotiates the breakdown of the grant program funds allocated to Plumas County.

This budget unit contains expenditures for the law enforcement component of the project. The District Attorney and Probation Department have separate budgets.

This grant award requires an annual independent audit per grant guidelines.

### Goals for 2006-2007

- Continue efforts to reduce illegal drug activity
- Further develop street level enforcement
- Identify and arrest street level and mid-level offenders
- Develop intelligence gathered for identification and investigation of narcotics violators
- Network with neighboring counties to identify and track illegal drug activities
- Work with allied agencies to restrict the flow of illegal drugs into and out of the County
- Reduce the availability of illegal drugs by disrupting their production
- Conduct special investigations integrating federal/state/local drug enforcement agencies
- Work with all participating agencies to maximize the overall efforts of the project
- Develop a funding strategy to assist with aerial surveillance costs
- Continue eradication efforts
- Further develop a more comprehensive protocol for drug endangered children

### Major Budget Changes and Augmentations

Decrease personnel allocation to 0.5 FTE because of reduction in allocated funding

### Previous Year Accomplishments

Met or exceeded most of the project objectives performance measures

Seizures of controlled substances reduced the availability of illegal drugs in the County

Dismantled one meth lab

Eradicated more than a dozen marijuana gardens

Sheriff-OES – Homeland Security (70341)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Corner

Mission/Statement of Function

The Office of Homeland Security provides funding for the State Homeland Security Program (SHSP) and the Law Enforcement Terrorism Prevention Program (LETPP).

The State Homeland Security Program (SHSP) provides funds to enhance the capability of State and local units of government to prevent, deter, respond to, and recover from incidents of terrorism involving the use of chemical, biological, radiological, nuclear, and explosive weapons and cyber attacks.

The Law Enforcement Terrorism Prevention Program (LETPP) provides law enforcement agencies with funds to enhance their capability to detect, deter, disrupt, and prevent acts of terrorism, and to support the following prevention activities: information sharing to preempt terrorist attacks, target hardening to reduce the vulnerability of selected high value targets, recognition of potential or developing threats, interoperable communications, and intervention activities to prevent domestic terrorism incidents.

This budget unit contains the Office of Emergency Services program expenditures. Funds will be used to enhance mutual aid, training, and equipment.

This budget is 100% grant funded.

Sheriff – AB443 Rural Law Enf. (70346)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Corner

Mission

The Mission of the AB443 funding is to enhance law enforcement efforts in small and rural counties.

Statement of Function

On August 27, 2001, the Governor signed into law AB 443, appropriating \$18.5 million in state funds for rural and small county sheriffs' departments. As specified in the Bill, the Plumas County Sheriff's Office is allocated \$500,000 annually to enhance law enforcement efforts in the county. However, the funding allocation was suspended and not appropriated in the state budget in FY 03/04.

These funds may not supplant any local funds that would otherwise be available.

This budget currently funds the wages and benefits for one FTE Deputy Sheriff position.

Goals for 2006-2007

Sheriff - OHV/OSV (70351)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Corner

### Mission

To enforce the laws and regulations during routine patrol along OHV/OSV routes, at closure/restriction areas, and at special events and to protect natural habitat and environment of Plumas County.

### Statement of Function

The Sheriff's OHV/OSV Law Enforcement Patrol focuses on public safety, search and rescue operations, crimes against property, and protecting natural resources year around from potential impacts from OHV/OSV use. Patrols for each activity are county wide with specific areas of designated importance. Geographic areas where law enforcement issues occur are residential areas in close proximity to high use areas, closure areas, intrusion into the Bucks Lake or Caribou Wildernesses and other environmentally sensitive areas. Typical OHV/OSV violations are registration, noise, speed, alcohol related incidents and protective equipment.

The Department of Parks & Recreation Off-Highway Motor Vehicle Division (OHMVR) assists law enforcement projects by providing funding assistance to local and federal agencies for enforcement of OHMVR laws, public safety, OHV related search and rescue, personnel support, placement of barriers and other means of traffic control, and training. For specific details regarding law enforcement projects refer to CCR, Title 14, 4970.59.

The OHMVR grants and cooperative agreements funds are allocated annually on a competitive basis. The OHMVR Commission is responsible for allocating funds to grants and cooperative agreements applicants, and approval of the project costs and activities to be performed ("deliverables"). The Commission reviews applications annually, and considers Division determinations, public input, and grantee testimony as a basis for allocating the OHV funds.

Sheriff-Boat Patrol (70352)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Corner

### Mission

The mission of the Plumas County Sheriff's Boating Safety & Enforcement Unit is focused on water user awareness, working to ensure and encourage boating safety as well as providing law enforcement.

### Statement of Function

The Plumas County Sheriff's Boating Safety & Enforcement Unit patrols the lakes in Plumas County enforcing the federal, state and local laws, providing boater education, assisting the public, and promoting safe boating. The overall goal is to help boaters practice safe and legal boating habits and to preserve the beauty and quality of the lakes in Plumas County.

The Sheriff's Boating Safety & Enforcement program is funded by a grant from the Department of Boating & Waterways and County boat tax revenues.

The Boating Safety and Enforcement (BS&E) Financial Aid Program was established in 1969 by Assembly Bill 1827, which became Section 663.7 of the Harbors and Navigation Code (H&N) once enacted. Section 6593 of the California Code of Regulations (CCR) was developed in 2002 to further implement this program.

The purpose of the BS&E Financial Aid Program is to provide State financial aid to local governmental agencies whose waterways have high usage by transient boaters and an insufficient tax base to fully support a boating safety and enforcement program. The program is intended to augment existing local resources for boating safety and enforcement activities and is not intended to fully fund BS&E programs. Local participation in the program is entirely voluntary. Any local agency may opt not to participate in the program if they choose to spend their boat taxes on activities other than boating safety and enforcement activities.

### Goals for 2006-2007

- Continue to promote water user awareness and boater safety
- Provide boater education on and off the water
- Conduct boating safety classes
- Enforce federal, state and local boating laws
- Attend functions throughout the county to promote boating safety and distribute promotional items

### Major Budget Changes and Augmentations

Funding approved for purchase of new law enforcement patrol boat  
Subject to approval of Governor's 2006/2007 budget, the baseline allocation of funding will be increased. If the increase is not approved the baseline will remain the same.

### Mission

Funding is provided for front line law enforcement and public safety purposes.

### Statement of Function

State law established the Citizens' Option for Public Safety (COPS) Program, which provides for the allocation of funds to eligible local jurisdictions, as defined, for front line law enforcement and public safety purposes. State funding is received into the Supplemental Law Enforcement Services Fund (SLESF) and allocated by the county auditor as per Government Code Section 30061-30065.

This budget currently funds the wages and benefits for one (1) FTE Deputy Sheriff position.

The budget is 100% grant funded.

Sheriff-SLESF-Portola (70355)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Corner

Mission

Funding is provided for front line law enforcement and public safety purposes.

Statement of Function

State law established the Citizens' Option for Public Safety (COPS) Program, which provides for the allocation of funds to eligible local jurisdictions, as defined, for front line law enforcement and public safety purposes. State funding is received into the Supplemental Law Enforcement Services Fund (SLESF) and allocated by the county auditor as per Government Code Section 30061-30065.

This budget is for the City of Portola's funding allocation. The City uses the funds to help offset the costs of the contract for law enforcement services with Sheriff.

The budget is 100% grant funded.

Sheriff-Bailiff (70370)  
0017-Trial Court Operations  
Terry Bergstrand, Sheriff/Corner

Mission/Statement of Function

The Sheriff's Office provides security for the Plumas County Superior Court under an agreement that is reviewed annually. The court security unit consists of two (2) full-time Bailiffs. Ensuring safe courtrooms is their primary duty. The Bailiffs also provide courthouse security, weapons screening, perimeter security and secure prisoners transferred from the County Correctional Facility to court for arraignment and trial. Additional bailiffs may be provided at the request of the Courts.

The budget is 100% funded by revenue generated from the MOU with the courts for court security services.

Sheriff – Jail (70380)  
0017 – Public Safety  
Terry Bergstrand/Sheriff, Corner

### Mission

It is the mission of the Plumas County Sheriff's Office to serve our community by delivering fair and ethical law enforcement, protecting the innocent, apprehending criminals, maintaining public order, providing for the care and custody of prisoners, and by establishing the cause, manner, and mechanism of death in Coroner's cases. This mission is accomplished through commitment, dedication, and provision of excellent services to the residents and visitors of our community.

### Statement of Function

The Sheriff has the specific statutory duty to operate the county jail. The purpose of the jail is fourfold: detain persons committed in order to secure their attendance as witnesses in criminal cases; detain persons charged with crimes and committed for trial; for the confinement of persons committed for contempt or by other authority of law; and for the confinement of persons sentenced to imprisonment upon conviction for a crime (Penal Code Section 4000).

Title 4 of Part 3 of the California Penal Code governs various aspects of county jail operations. Minimum standards for the operation of local detention facilities are codified in the California Code of Regulations (CCR), Title 15, Division 1, Chapter 1, Subchapter 4, commencing with Section 1004.

The Plumas County Sheriff's Correctional Center safely houses a maximum of 67 inmates at all levels. Typically, sentences in the county jail are for the more minor offenses and are for a period of one year or less. Generally speaking, sentences beyond one year are served at a State prison.

The detention facility is staffed 24 hours a day, 365 days a year by the Sheriff's Corrections Division, which consists of one Jail Commander, five Corporals, and eleven Correctional Officers. In addition to booking and overseeing the inmate population housed at the jail, the staff also handles public fingerprinting services, provides additional court security when requested by the courts, and transports prisoners as needed for court appearances, medical or dental appointments, and to or from other detention facilities.

### Goals for 2006-2007

- Continue to maintain custody of inmates, while still respecting and protecting the civil and legal rights of all incarcerated offenders
- Public fingerprint services to be provided at the Sheriff's Office instead of the Jail
- Work to begin on control room

### Major Budget Changes and Augmentations

Request for additional staffing – four (4) Correctional Officers and one (1) Correctional Corporal

### Previous Year Accomplishments

New generator installed and working

Expenses reduced for inmate prescription drug costs

Average daily inmate population at a high level but costs kept to a minimum

SHERIFF-ABC 15 Minute (70383)  
0017 – Public Safety  
Terry Bergstrand, Sheriff/Coroner

Mission/ Statement of Function

The California Highway Patrol was awarded funding from the California Office of Traffic Safety for “Every 15 Minutes” which is a two-day program focusing on high school juniors and seniors, that challenges them to think about drinking, driving, personal safety, and the responsibility of making mature decisions and the impact their decisions have on family, friends, and many others. The CHP sub contracts the grant award to the Sheriff’s Office to provide the program each year.

Board Policy Items

The Sheriff receives this funding from the CHP as a sub contractor for the grant award. FY 06/07 funding has not been determined so there is not a budget request at this time. If funding is awarded at a later date a supplemental budget request will be submitted to the Board for approval.

Goals for 2006-2007

- Provide the Every 15 Minutes program at Quincy High School, which is the next school in the rotation.

District Attorney (70301)  
0017A – Public Safety  
Jeff Cunan, District Attorney

### Mission

The District Attorney is a constitutional officer and the public prosecutor acting on behalf of the people. He is constitutionally vested with complete independent power to evaluate, investigate, and detect crime and to conduct prosecutions for all public offenses. The District Attorney fulfills these important responsibilities through the efforts of his employees, who have been specifically charged by the District Attorney with adopting the highest standards of ethics and professionalism.

The District Attorney's Office is committed to enhancing the fundamental right of the people of Plumas County to a safe and just society. To this end, based on an assessment of local needs, we are specifically engaged in a long-term heightened focus on methamphetamine distribution, child abuse-related crimes, and environmental offenses. Our mission is to carry out the law in a fair, evenhanded, and compassionate manner.

### Statement of Function

The District Attorney's Office is responsible for prosecuting all criminal violations within Plumas County on behalf of the People of the State of California. It assists and advises all law enforcement agencies - county, state and federal - in all levels of investigation, arrest, and prosecution. The District Attorney's Office is also responsible for prosecuting civil cases on behalf of the People, particularly with regard to Consumer Fraud and Environmental Statutes. The District Attorney is also the statutory advisor to the Plumas County Grand Jury and conducts investigations on their behalf.

Further, the District Attorney's investigative unit provides essential, often street-level investigation for a variety of complex criminal situations. This currently includes the only female investigative officer in Plumas County available to handle cases in which female citizens, both adults and children, are victims and survivors of crime. In all such cases our female investigator is called out by other law enforcement agencies. Our investigations unit also currently contains an Elder Abuse specialist who works closely with other agencies to address this chronic local issue. In all serious cases generally, our Investigations Supervisor is called out.

Additionally, the District Attorney's Office handles juvenile delinquency proceedings, including rehabilitation and prevention programs. Child abuse and child neglect prevention and prosecution is one of the highest priorities of the Plumas County District Attorney's Office.

The District Attorney is also responsible for serving as the Public Administrator, representing the interests of the County, indigent Plumas County residents, and their heirs upon indigent deaths.

### Goals for 2006-2007

### Mission

It is the mission of the Plumas County Assessor's Office to fairly assess properties in compliance with the laws of the State of California, while consistently providing quality customer service.

### Statement of Function

This budget has is funded under the State Property Tax Administration Grant Program. Funding is made on an annual basis and requires the Assessor to meet predetermined performance criteria in reducing backlogs in appraisal units, audits, Proposition 8 reductions, etc. This program was scheduled to sunset in the 2007 budget year or be subject to reauthorization as it has a number of times since its inception in 1994. An agreement in the 2005 State budget process by the Governor and House and Senate leadership (Big Five) cut funding for the program in the last two years of it's authorization. Carry over balances and a funding lag, have kept the program whole through the 2005 budget year. The California Assessor's Association is presently working with the Department of Finance and Legislature to have the program restored.

The Association is being told that the "Big Five" will not break their 2005 budget compromise, but are willing to reconsider a new program in 2007. The Association and Department of Finance are close to crafting of the new program. The Assessor's requests one time, bridge financing, from the General Fund to cover the gap between the carry- over balance and the funding amount of the new program. This request is for a one year period only and allows the Assessor to maintain a present level of service. This amount is approximately \$38,039.00. The carry over balance is estimated to be approximately \$35,000.00.

### Goals for 2006-2007

See Budget 20060

### Major Budget Changes and Augmentations

Provide bridge financing for 1 year to retain trained employee until 2007 funding cycle

### Previous Year Accomplishments

Criminal Justice Construction Fund (20293)  
0023 – Criminal Justice Construction Fund  
Ira Kaufman, Superior Court Judge

Statement of Function

The Criminal Justice Construction Fund was established as a means to finance the construction, reconstruction, expansion, improvement or maintenance of criminal justice facilities and Court facilities, and may also be used for improvements to Information Systems. For each \$10 fine imposed by the Court, additional penalty assessments are also levied. Of the additional levies, at the Board's discretion, \$5.00 can go to the Criminal Justice Construction Fund.

MENTAL HEALTH-SAMHSA (70575)  
0029 – SHAMHSA  
John Sebold, Director

Mission

The mission of SAMHSA is to provide quality mental health services to enhance the ability of Chronic Mentally ill adults and emotionally ill children to participate effectively within their community.

Statement of Function

The SAMHSA grants are designed to expand services for the Chronic Mentally Ill (CMI) clients in Plumas County and those in need of emergency services. As an outgrowth of these grants a 14-bed board and care facility for Chronically Mentally Ill adults, the Sierra House, was developed at the Quincy Junction-Bell Lane Center. A day treatment program is operated to serve residents of the Board and Care Facility and other outpatient consumers. A portion of SAMHSA funding is dedicated to children and services that enhance their adjustment school and their community.

Five services are provided by the grant:

1. Socialization Services/Drop-In Center
2. Case Management Referral
3. Outreach Services
4. Day Treatment Services.
5. Work Transition Program

Board Policy Items

Board Action

Goals for 2006-2007

- Continue to provide services as defined in the SAMHSA grant.

Major Budget Changes and Augmentations

Previous Year Accomplishments

- Compliance with SAMHSA grant standards
- Successful completion of all audits without a mandated plan of correction

Mission

The mission of Plumas County Mental Health/Cal WORKS is to provide quality mental health services, supported by sound business practices, to enhance people's ability to participate effectively within their community.

Statement of Function

The Cal-WORKS Mental Health program is responsible for providing Mental Health/ A&D services to TANF recipients (families on aid from the Department of Social Services). The goal is to decrease or ameliorate barriers to employment.

Goals for 2006-2007

- Continued service delivery with the improved regional approach developed in 05-06.

Major Budget Changes and Augmentations

Previous Year Accomplishments

- Cal-WORKS was transitioned to a regional model over the past year resulting in better access for consumers while maintaining the integrity of the program.
- Training of regionally based staff by a lead clinician was accomplished in an organized methodical manner that did not disrupt service delivery.

Mission

The mission of Sierra House is to provide a quality supportive living environment that enhances the independent functioning of individuals recovering from mental illness.

Statement of Function

Sierra House is an adult resident facility for chronic mentally ill clients age 18-64. The primary services offered are housing, meals, supervision of medication and medical needs, supervision of personal care, monitoring of psychiatric status with appropriate referrals and full range of mental health services available through Plumas County Mental Health. The goal is to maximize client independence and integration into the community while providing education, support and protection for persons with psychiatric disabilities.

The maximum capacity is 14 residents. Staff is present 24 hours per day.

Goals for 2006-2007

- Continue effective operation of the facility
- Prioritize infra-structure improvements and plan for implementation of improvements.

Major Budget Changes and Augmentations

Previous Year Accomplishments

- Effective facility operation
- Compliance with all facility audits with no mandated corrections.
- Staff and resident stability
- Completion of internal facility audit to assess infra-structure needs.

Mission

The mission of the Plumas County Department of Child Support Services is to promote the well-being of children and the self-sufficiency of families by delivering first-rate service that helps both parents meet the financial, medical, and emotional needs of their children.

Statement of Function

The Plumas County Department of Child Support Services is mandated by Public Law 93-647, added to the Social Security Act (Title IV-D) in 1975. The Department provides services to clients in a caseload of 1,465 for the purpose of:

- Establishment of Paternity
- Establishment of child support and medical support orders
- Location of non-custodial parents
- Enforcement of support orders through legal remedies
- Monitoring of child support payment activity

Services are provided free of charge. Referrals are received from the Department of Social Services as well as direct applications from non-assistance clients.

The adoption of child support program performance standards effective January 1, 2001 required counties to implement performance standards for the purpose of program improvement. Performance is measured based on paternity establishment, cases with support orders, collections on current support and arrears, and cost effectiveness. The State requires each county to submit a Quality Assurance and Performance Improvement Plan (QAPI) each year outlining methods that will be used to meet state-established yearly performance targets.

SHERIFF-Narcotics (20343)  
0050 – Narcotics  
Terry Bergstrand, Sheriff/Coroner

Mission/Statement of Function

The Narcotics Fund receives and distributes the proceeds from asset forfeitures. The Health & Safety Code governs the distribution of forfeitures.

Asset forfeiture proceeds must be used for the purpose of funding anti-drug abuse and drug enforcement operations.

The requested budget is 100% funded by Asset Forfeiture revenues.

SHERIFF-Inmate Welfare (22911)  
0058 – Inmate Welfare Fund  
Terry Bergstrand, Sheriff/Coroner

Mission/Statement of Function

The Inmate Welfare Fund is governed by Penal Code Section 4025 and is maintained for the express purpose of holding funds for the benefit of inmates in the County Jail.

Revenues are generated by the sale of commissary items, telephone use commissions and interest on deposited funds. All funds must be expended under the authority of the Sheriff primarily for the benefit, education and welfare of inmates confined within the jail.

The requested budget is 100% funded by Inmate Welfare program revenues.

Flood Control (20579)  
0208 – Flood Control  
Tom Hunter, Public Works Director

Mission/Statement of Function

This budget revenue comes from an established tax rate and grant monies. There are also funds from the Lake Davis Treatment Plant Sinking Fund and Settlement Funds.

Goals for 2006-2007

- To implement the construction of the new water treatment plant facility and maintain the Chester diversion system. To receive approval of a Prop. 50 Grant for \$10 million. To finalize the Prop. 13 Grant for \$615,000.

Previous Year Accomplishments

The District has received \$2.5 million from Congressman John Doolittle to fund a major portion of the new water treatment facility. The State Department of Health Services has also approved a grant up to \$898,000. Together, these two revenues should complete the project.

The Prop. 13 Grant for the Watershed Assessment of the Lake Almanor area is about 50% complete.

Mission

The mission of Senior Transportation is to provide senior clients low cost transportation services throughout Plumas County.

Statement of Function

Senior Transportation provides both assisted and non assisted rides to local medical appointments, rides to nutrition sites and periodic trips of out of town medical appointments. Senior Transportation services are made available through federal grants made available through the State Department of Aging, senior donations, and Transportation Commission Funds (TDA). Plumas County Public Health Agency has administrative and fiscal authority for the Senior Transportation Program.

Goals for 2006-2007

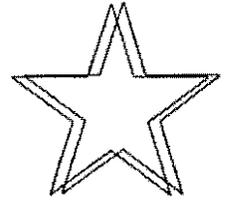

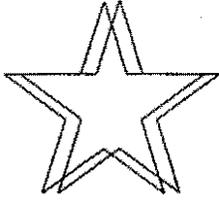

- Continue to provide safe and efficient transportation services to senior clients
- Provide 1300 assisted rides
- Provide 11800 non assisted rides
- Prepare strategies for long term vehicle replacement

Major Budget Changes and Augmentations

None

Previous Year Accomplishments

Replaced 2 buses with HRSA funds (Federal Grant)  
Implemented fee schedule for local agency's to charter ride services for senior clients
