- (4) Availability and willingness to serve on the terms set forth in these rules.

In the event the Association and County are unable to mutually agree on the selection of the hearing officer, each party shall alternately strike names from the list until one remains to be assigned as the hearing officer. The party to strike the first name shall be selected by lot.

The cost of the hearing officer shall be shared equally between the County and Association, or the County and appellant if the Association is not representing the appellant.

ARTICLE 5.04 CONDUCT OF THE HEARING: The County Counsel shall be responsible for scheduling and notification as to the time and place of the hearing, and of notifying the hearing officer of the nature of the proceeding.

Unless otherwise stipulated, the hearing shall be closed to the public and conducted in an informal manner under the direction and authority of the hearing officer. The hearing need not be conducted according to technical rules of evidence, but the hearing shall be expedited by the exclusion of irrelevant or repetitious matter.

The interested parties and their representatives shall have the right to introduce any relevant written or physical evidence, and to call and examine witnesses. The hearing officer may subpoena witnesses pursuant to section 1985 of the Code of Civil Procedure.

Oral testimony may be taken on oath or affirmation administered by the hearing officer. County employees called as witnesses shall serve without loss of pay in accordance with Article 9.07.

Unless there is a pre-agreement to share the cost of a record by the parties, an interested party may tape record the hearing or arrange at its own cost the services of a court reporter. Any such record of the hearing shall become a record of the proceedings for purposes of any future judicial review. (Reference: Government Code Section 1094.6)
