Shading indicates leach exclusion areas

NOTES

1. The information shown hereon is for informational purposes, describing conditions as of the date of filing and is not intended to affect record title interest.
2. The additional information shown hereon is derived from public records or reports, and does not imply the correctness or sufficiency of those records or reports by the preparer.
3. Leach exclusion areas are all areas within 5' of property lines, within easements, within 50' of a watercourse, within 100' of wells, and for all slopes of 30% or greater, and areas of high ground water as noted hereon.
4. Private Roads: The road "Thompson Road" as shown hereon is a private easement not subject to improvement or maintenance by Plumas County. Such easements will not become effective unless and until reservations and grants are included in the respective deeds.
5. A well site has been designated on Pcl. 1, and may be moved only with the written concurrence of the County Sanitarian.

The property shown hereon is subject to a Planned Development Permit which is recorded in Book 517 of Official Records at page 332. Future development of this property will be subject to the conditions of said permit, which includes a density transfer.
