

NOTES

Under 1275.00 et seq of the SRA Fire Safe Regulations and the provisions of Article 10 of Chapter 4 of Title 9, commencing with Section 9-4.1001 of the Plumas County Code, emergency water for fire protection shall be required before final inspections for building construction.

No more than one dwelling unit may be constructed on Parcel one unless a looped access road is provided or some other mitigation is implemented and approved that provides the same practical effect as a looped access road.

Designated sewage disposal areas and well sites may be relocated with approval of Environmental Health.

The property shown hereon is subject to a Planned Development Permit which is recorded as Document # 2005-10726 of Official Records. Future development of this property will be subject to the conditions of said permit.

The additional information shown hereon is for information purposes, describing conditions as of the date of filing and is not intended to affect record title interest.
