DEFINITION

DISTINGUISHING CHARACTERISTICS

Legal Clerk II is the journey level in the Legal Clerk series. Incumbents are expected to be fully qualified and able to perform a wide range of legal office support work. They work with a higher level of independent responsibility for precision and accuracy in producing notices and documents identified with legal matters and proceedings. Positions in this class are flexibly staffed and are normally filled by advancement from the lower level of Legal Clerk I, or if filled from the outside, require prior related experience.

This classification series differs from the Legal Assistant classification in that Legal Clerks perform the more routine legal clerical support duties that involve producing forms, notices, and documents. They do not serve in a paraprofessional capacity and do not conduct research or provide input on legal positions or arguments.
