

Behavioral Health Services Act (BHSA)

Join Us for a Community Planning Meeting!

Learn how the Mental Health Services Act (MHSA) funding is transitioning to Behavioral Health Services Act (BHSA) and Programs benefit our communities.

Share your ideas with Behavioral Health staff on how we can improve community mental health programming and align with mandates (Federal, State, Local and/or Legal)

Who: Behavioral Health clients & their family members and Plumas County residents (all current MHSA stakeholders)

Why: Plumas County Behavioral Health would like your feedback and input for developing a BHSA Integrated 3-Year Program and Expenditure Plan, years 2026-2029 — how can we improve access, services and programs which help benefit our communities? Your feedback is important and appreciated!
